The JOURNAL OF SYMBOLIC LOGIC is the official organ of the Association for Symbolic Logic, Inc. It is published at Mount Royal and Guilford Avenues, Baltimore, Maryland, quarterly, in the months of March, June, September, and December. The subscription price is three dollars annually, for current subscriptions. Completed volumes are sold at four dollars.

Applications for membership in the Association, subscriptions to the JOURNAL, and business correspondence should be addressed to Mount Royal and Guilford Avenues, Baltimore-2, Maryland, or to *Mrs. H. Hungerland, 128 Indian Road, Piedmont-10, California.*

Articles for publication in the JOURNAL should be sent to *Max Black, Goldwin Smith Hall, Cornell University, Ithaca, New York* or to *Alonzo Church, Fine Hall, Princeton University, Princeton, New Jersey.* All manuscripts should be typewritten with wide margin and wide spacing between the lines, and the author should keep a complete copy; footnotes should be numbered consecutively and should also be typed with wide margin and wide spacing (preferably on a separate sheet). If an article is of more than thirty-two (printed) pages in length, the editors reserve the right to divide it between two or more, not necessarily consecutive, numbers. Authors receive fifty reprints of each article, without covers, and additional reprints may be purchased if desired.

Authors and publishers are requested to send, for review, copies of books and reprints of articles in journals to Alonzo Church, Fine Hall, Princeton, New Jersey.

Entered as second class matter at the post office at Baltimore, Maryland, under the Act of Aug. 24, 1912.
