INSTRUCTIONS TO CONTRIBUTORS

Submitted articles: Authors should upload their manuscripts (double spaced) to the SAPD online submissions system at <http://www.editorialmanager.com/SAPD>. Please note that SAPD will no longer accept manuscript submissions by regular mail. Editorial correspondence should be directed to sapd@bspa.berkeley.edu or, by regular mail, to *Studies in American Political Development*, c/o Eric Schickler, Department of Political Science, University of California, Berkeley, Berkeley, CA 94720-1950.

Preparation of manuscript: A separate title page should be prepared including the full article title, short title for use as a running head, author's full name and affiliation, and complete contact information (including phone number and e-mail address).

Manuscripts should conform to *Chicago* style (see below for examples concerning preparation of reference and note material). The entire manuscript (including notes and references) should be typed double-spaced, with at least 1 inch wide margins for copyediting marks. The manuscript should be submitted with elements arranged in the following order: (1) title page, (2) article text, (3) endnotes, (4) bibliography (optional), (5) appendices/tables, and (6) figures, placement of tables or figures should be cited in the text. The publisher will be responsible for placing artwork, tables or figures, as well as converting endnotes to footnotes.

Figures: Appendices, tables, and figures should be numbered consecutively throughout the article and should be included on separate pages appearing after the reference section. Table and figure images should also be uploaded as separate files. Figures should be ready for photographic reproduction; they cannot be redrawn by the publisher. Charts, graphs, or other artwork should be professionally rendered, or computer generated.

References and notes: References and notes should conform to the examples given here. For other cases, please refer to *The Chicago Manual of Style*. Author's acknowledgments or other personal notes will appear as an unnumbered note at the foot of the title page. Notes should be double-spaced and placed at the end of the essay, not at the foot of the page. Notes should be numbered consecutively throughout the article. Numbered notes should appear at the end of the sentence. If multiple texts are cited in a sentence they should appear as one consolidated note at the end of the sentence.
