Plainsong & Medieval Music

The Journal of the Plainsong and Mediaeval Music Society

New for 1992, **Plainsong & Medieval Music** will be published twice a year by Cambridge University Press in association with the Plainsong and Mediaeval Music Society.

Plainsong & Medieval Music covers the whole field of plainchant and medieval music, monophonic and polyphonic, in both East and West, and will embrace the liturgical chant of any period. The journal will also publish original research articles, reviews of the most important recent publications, a section devoted to recordings and a comprehensive bibliography of chant.

Plainsong & Medieval Music is published in April and October at £18 for individuals; £32 for institutions; airmail is £12 per year extra (ISSN 0961-1371)

The Restoration Church of England, 1646-1689

JOHN SPURR

This important book — the first serious account of the restoration of the Church of England after the English Civil War — explains the invention of Anglicanism in the second half of the seventeenth century, a period when it began to establish a distinct identity, and to recognize and explain how it differed from both the Church of Rome and the Protestant Reformed churches of Europe. Indispensable reading for those concerned with the religious, political, cultural and social history of seventeenth-century England. 462pp. £32.50

Freedom from Violence

SECTARIAN NONRESISTANCE
FROM THE MIDDLE AGES TO THE GREAT WAR

Peter Brock

Brock traces the history of a long line of Christian sects that have rejected both the violence involved in war and the violence involved in the administration of the state, concluding the story with the outbreak of the Great War in 1914.
