## IMPORTANT NOTICE

At the Annual General Meeting of the Association at Birmingham on Thursday, 21st April, 1949, new subscription rates were adopted as follows :

Ordinary Membership	-	-	-	-	£1 1s. 0d.
Junior Membership	-	-	-	-	10s. 6d.
Life Composition	-	-	-	-	£21 0s. 0d.

After 15 payments of the Ordinary Membership subscription, the Life Composition is reduced to £10 10s. 0d.

A student qualified under Rule 7 may join as a Junior Member for the period from the 1st of July in the first year to the 31st of December in the second year on payment of a single subscription of fifteen shillings.

The new annual subscription rates come into effect on 1st January, 1950, and the new Life Composition takes effect from the date of the Annual General Meeting. It will be a great help if members will kindly make sure that they pay the increased annual subscription for the year beginning 1st January, 1950, thus avoiding additional correspondence.

It also helps to reduce clerical work if Ordinary Members pay their subscriptions by Banker's Order. A form is attached for the use of those who wish to adopt this method of payment. When completed this form should be sent to the Hon. Treasurer at Gordon House, 29 Gordon Square, W.C. 1.

A separate notice will be sent to members who already use a Bankers' Order
