

JOURNAL of the AUSTRALIAN MATHEMATICAL SOCIETY

Volume 79 Part 1
AUGUST 2005

ZHEN-QI LI and AN-MIN HUANG	<i>Constant curved minimal CR 3-spheres in CP^n . . .</i>	1
SHUNCHAO LONG and JIAN WANG	<i>The higher order commutators of the fractional integrals on Hardy spaces</i>	11
WALTER R. BLOOM and PAUL RESSEL	<i>Negative definite and Schoenberg functions on commutative hypergroups</i>	25
K. AUINGER and M. B. SZENDREI	<i>Rees matrix semigroups and the regular semidirect product</i>	39
JILING CAO and DAVID GAULD	<i>Volterra spaces revisited</i>	61
M. LORENTE and M. S. RIVEROS	<i>Two weight norm inequalities for commutators of one-sided singular integrals and the one-sided discrete square function</i>	77
JOHN BAMBERG	<i>Bounds and quotient actions of innately transitive groups</i>	95
WENDE LIU and YONGZHENG ZHANG	<i>Finite-dimensional odd Hamiltonian superalgebras over a field of prime characteristic</i>	113
A. AIZPURU and F. J. GARCIA-PACHECO	<i>Some questions about rotundity and renormings in Banach spaces</i>	131
GÖTZ PFEIFFER and GERHARD RÖHRLE	<i>Special involutions and bulky parabolic subgroups in finite Coxeter groups</i>	141

Formerly
Journal of the Australian Mathematical Society
(Series A — Pure Mathematics and Statistics)

JOURNAL OF THE AUSTRALIAN MATHEMATICAL SOCIETY

Two volumes of three parts each are planned for 2005. These are Volume 78 and Volume 79. The annual subscription price to non-members for 2005:

	Electronic only	Print only	Electronic and print
Australia (GST incl.)	A\$ 421.30	A\$ 468.60	A\$ 515.90
Overseas	US\$ 302	US\$ 347	US\$ 381

Information about other publications of the Australian Mathematical Society may be found on the inside back cover.

Submission of research papers in pure mathematics and statistics is invited under the condition that the paper has not been published and is not being considered for publication anywhere else.

The Journal is seeking articles of more general interest and of moderate length, preferring papers with a good introduction explaining the meaning and value of results. In view of the pressure on space, only papers highly rated by assessors can be accepted.

Papers can be submitted to the Journal Editorial Office either electronically by e-mailing a pdf file to jams@ms.unimelb.edu.au or by mailing two hard copies to the address below; or they can be submitted by the same process to an appropriate Associate Editor (see the back cover or the Journal website <http://www.ms.unimelb.edu.au/~jams>).

PREPARATION OF MANUSCRIPTS

1. Hard copy manuscripts should be printed on one side only, with double spacing and with a generous margin. Submitted manuscripts will not be returned.

2. Authors are encouraged to prepare their papers in \LaTeX ; a style file can be downloaded by following links given at the Journal website. Other forms of electronic source may be useful.

3. Each manuscript should include an abstract of no more than 150 words, preferably containing no formulae, a 2000 Mathematics subject classification, and a short title of no more than 40 characters.

4. For the style of references consult recent issues of the Journal. The current usage is either the number referencing [1], [2], [3], or the letter referencing, such as [DS1], [DS2], [DS3] if the authors are N. Dunford and J. T. Schwartz, and the reference is to the 3 volumes of their monograph. In either style, references should be ordered alphabetically by the first author's name. Abbreviations of journal names should follow Mathematical Reviews.

5. If not using \LaTeX , specify the symbols to be set in special typefaces (bold, fraktur, script, etc.).

6. Avoid abbreviation such as Thm., Prop., Eq., Ex., iff. In the text do not use the symbols \forall , \exists , \implies and \iff .

7. Graphics should be prepared to professional standards, preferably using Postscript or \LaTeX drawing facilities. Charges may apply if the typesetters have to recreate a graphics file because the original is not suitable for printing.

Journal of the Australian Mathematical Society is published bimonthly by the Australian Mathematical Society, c/- Department of Mathematics, ANU, Canberra ACT 0200, Australia.

Subscription and change of address: Dr A. Howe, Australian Mathematical Society, c/- Department of Mathematics, ANU, Canberra ACT 0200, Australia.

Editorial Office: Journal of the Australian Mathematical Society, Department of Mathematics and Statistics, The University of Melbourne, VIC 3010, Australia.

Journal website: <http://www.ms.unimelb.edu.au/~jams>

Journal e-mail: jams@ms.unimelb.edu.au
