'Reef and Rainforest' by JoAnne Hook

Queensland Review is a multi-disciplinary journal of Australian Studies which focusses on the history, literature, culture, society, politics and environment of the state of Queensland. Queensland's relations with Asia, the Pacific islands and Papua New Guinea are a particular focus of the journal, as are comparative studies with other regions. In addition to scholarly articles, **Queensland Review** publishes commentaries, interviews, and book reviews.

Invitation to contribute and information for authors are printed on the inside back cover.
