Politics & Gender

Published for the Women and Politics Research Section of
the American Political Science Association

Editor

Jill A. Irvine, *University of Oklahoma, USA*

Cindy Simon Rosenthal, *University of Oklahoma, USA*

Politics & Gender is an agenda-setting journal that publishes the highest quality scholarship on gender and politics and on women and politics. It aims to represent the full range of questions, issues, and approaches concerning gender and women across the major subfields of political science, including comparative politics, international relations, political theory, and U.S. politics. The Editor welcomes studies that address fundamental questions about women in politics and political science from the perspective of gender, as well as those that interrogate and challenge standard theoretical approaches, methodologies, and analytical categories.
