

## American Literature in Context I 1620–1830

STEPHEN FENDER

Ranging from the writings of the Puritan settlers through the Declaration of Independence to the novels of Fenimore Cooper, this first volume of *American Literature in Context* shows how early Americans thought about America, their arguments – in fact and fiction, prose and poetry – for immigration, for political and cultural independence, and their search for native materials with which to build both a national fiction and the fiction of a nation.

## The American System of Government

ERNEST S. GRIFFITH

This revised edition takes account of the changing relations between Congress and the President, the instability of the two major parties, and the rise in power of the subcommittees in Congress. An entirely new chapter deals with America's growing budget crisis and the deficits now reaching \$200 billion a year. Throughout, the author is especially perceptive in analyzing the Reagan administration's efforts to deal with the nation's problems and offer solutions to them.

## American Literature in Context III 1865–1900

ANDREW HOOK

This volume focuses on the struggles of American writers, between the Civil War and 1900, who found it difficult to cope with the speed and cost of the rapid changes that were making the United States the world's most advanced and powerful industrial nation. In addition to such major figures as Walt Whitman, Henry James, Emily Dickinson and Mark Twain, it analyses the writings of an unorthodox economist (Henry George), a Utopian reformer (Edward Bellamy) and a critical sociologist (Thorstein Veblen).

## Richard Brautigan

MARC CHÉNETIER

Marc Chénétier's study is the first book to attempt to assess Brautigan's writing art which, far from weakening over the years, has become, amid critical indifference, more secure in its techniques, more all-encompassing in its strategy and more iconoclastic in its goals. In analysing most of Brautigan's fictional works in the light of his poetics, it examines the mechanisms of his metafictional and deconstructive offensive and indicates the direction in which Brautigan is moving today.

## Kissinger: The Price of Power

SEYMOUR M. HERSH

For nearly a decade Henry Kissinger dominated the foreign policy of the United States and created a style of international relations that was quintessentially his own. And yet, as Seymour Hersh shows in this monumental study, Kissinger's achievements were won at a terrible cost. The book draws on published sources, documents hitherto unavailable and more than 1500 interviews with those who shaped and carried out the foreign policy of the Nixon Administration. It totally alters the generally-held view of both the events of those years and the participants. The *New York Times* described Hersh's indictment as 'Devastating . . . No novelist's imagination has outdone the reality of Kissinger in the Nixon White House.' 699 pages. £15.00

## Taking Sides

*America's Secret Relations with a Militant Israel, 1948-1967*

STEPHEN J. GREEN

During the nineteen years that elapsed between Israel's Declaration of Independence and the outbreak of war in the Middle East a series of agreements between the USA and Israel lay undisclosed behind the headlines of the world's press. The relationship was unique in America's history; its ramifications were far-reaching. *Taking Sides* is an account of the covert diplomacy of the two states, the impact it had on Israel's neighbours and on developments elsewhere and its effect on the fragile stability of the Middle East. It poses the important question: would a more distant relationship between the USA and Israel promote a healthier detente? 320 pages. About £10.00 *February*

## Mystery and Manners

FLANNERY O'CONNOR

Flannery O'Connor is now recognised as one of the most influential American writers of the century, ranking with Scott Fitzgerald among the country's finest prose-stylists. *Mystery and Manners* is a selection of the unpublished essays and lectures left behind at her death in 1964. The book includes her famous account of raising peacocks, *The King of Birds*, and several essays on the nature and aims of fiction, on the writer and religion, and – for her many admirers – a talk entitled *On Her Own Work*. 256 pages. Faber Paperback. £2.95 *January*

(Three other books by Flannery O'Connor available at the same price as Faber Paperbacks are *Everything That Rises Must Converge*, *The Violent Bear It Away* and *Wise Blood*.)

## NOTES FOR CONTRIBUTORS

- 1 All contributions and editorial correspondence should be sent to: The Editor, *Journal of American Studies*, School of English and American Studies, University of East Anglia, Norwich NR4 7TJ, England.
- 2 Articles should generally contain about 5,000 words. Longer or shorter articles, or articles in two or more parts, may be accepted by arrangement with the Editors.
- 3 Submission of an article is taken to imply that it has not previously been published, and is not being considered for publication elsewhere.
- 4 Contributions should be clearly typed in double spacing (including footnotes), preferably on A4 paper, with a wide left-hand margin. Diagrams, maps and illustrations may be included.
- 5 Spelling may conform either to British or American usage, providing it is consistent throughout.
- 6 Footnotes should be used sparingly: in general, to give sources of direct quotations, references to main authorities on disputable questions, and evidence relied on for a new or unusual conclusion. They should be numbered consecutively, and may most conveniently be placed, in double spacing, at the end of the article.
- 7 For guidance on matters of style, contributors should refer either to the *MLA Handbook* (1977), or to the *Journal of American Studies Style Notes*, copies of which may be obtained from the Editors.
- 8 Contributors should keep one copy of the typescript for correcting proofs.
- 9 Notes intended for the Editors or Printer should be on a separate sheet.
- 10 First proofs may be read and corrected by contributors provided that they can give the Editor an address through which they can be reached without delay and can guarantee to return the corrected proofs to the Editor, by airmail where necessary, within three days of receiving them.
- 11 Corrections should be kept to an absolute minimum. They should be confined to errors of the typist or printer unless the Editor authorizes otherwise.
- 12 Contributors of articles and review essays receive 25 free offprints. Extra copies may be ordered according to a scale of charges.
- 13 Contributors need not be members of the British Association for American Studies. Unsolicited typescripts can only be returned to overseas contributors who send International Reply Coupons (not postage stamps).
- 14 Contributors of accepted articles will be asked to assign their copyright, on certain conditions, to Cambridge University Press, to help
