The Holy Spirit in Christian Life

by PERE GARDEIL, O.P.

The studies published in this volume served as the theme of a retreat originally given to the Little Sisters of the Poor, but although particularly adapted to the needs of men and women consecrated to God in the religious state, Père Gardeil's teachings on a doctrine of which he made himself a master are no less profitable to priests and lay-folk aiming at a deeper spiritual life, and readers will find in these pages an ardently written and inspiring treatise on the Christian life.
