## CORRIGENDUM

## Bioavailability of procyanidin dimers and trimers and matrix food effects in *in vitro* and *in vivo* models – CORRIGENDUM

Aida Serra, Alba Macià, Maria-Paz Romero, Josep Valls, Cinta Bladé, Lluís Arola and Maria-José Motilva

(First published online 5 March 2013)

doi:10.1017/S0007114509992741, Published by Cambridge University Press, March 2010.

A mistake was made in the Trimer quantification of Table 1 in the paper by Serra *et al.* <sup>(1)</sup>. The quantification appears as 1568  $\mu$ mol/g instead of the correct amount which should have been 15.68  $\mu$ mol/g.

The authors apologise for this error.
