## THE GUIDE OF THE PERPLEXED

*Maimonides*

*Translated with an introduction and notes by Shlomo Pines and with an Introductory Essay by Leo Strauss.* Written at the end of the twelfth century, this monument of rabbinical exegesis not only has exerted an immense and continuing influence upon Jewish thought but was a formative element in the thinking of leading Christian writers and philosophers until the seventeenth century. Maimonides claimed that every word he used was chosen with infinite care. A renowned scholar has here translated the original Arabic with its frequent Hebrew words and phrases in a manner that preserves the linguistic flavor, the ambiguities and implications, of the original. \$15.00

## THE WALL BETWEEN CHURCH AND STATE

*Edited by Dallin H. Oaks*

The proposal to grant federal aid to parochial schools and the Regents'-prayer case are only two recent issues which have aroused hot controversy over the proper relationship between church and state. To stimulate more effective communications among the opposing factions, the Law School of the University of Chicago assembled a group of distinguished authorities of diverse views to explore the dimensions of the problem in this country and to examine the role of the courts and the Constitution in resolving some of the legal questions that have arisen. Contributors: Robert M. Hutchins, The Reverend Harold Fey, Philip B. Kurland, Paul S. Kauper, Monrad G. Paulsen, Robert F. Drinan, S. J., Murray Gordon, William Gorman.
