The Plum in the Golden Vase

or *Chin P'ing Mei*

Volume Two: The Rivals

Translated by David Tod Roy

In this second volume, David Roy continues a complete and annotated translation of the famous *Chin P'ing Mei*.

Praise for the first volume:

"[Roy] has annotated the text with a precision, thoroughness, and passion for detail that makes even a veteran reader of monographs smile with a kind of quiet disbelief."

—Jonathan Spence, *New York Review of Books*

Neither Monk nor Layman

Clerical Marriage in Modern Japanese Buddhism

Richard M. Jaffe

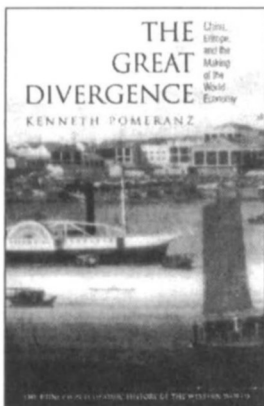

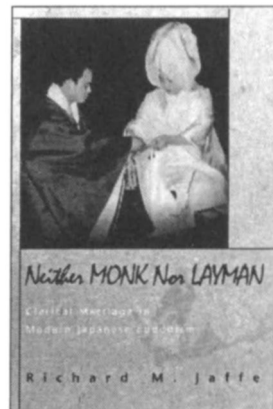

Buddhism comes in many forms, but in Japan it stands apart in one striking way—the monks get married. In the most comprehensive study of this topic in any language, Richard Jaffe addresses the emergence of an openly married clergy as a momentous change in the history of modern Japanese Buddhism.

"First-rate. Jaffe's research is utterly original. . . . The book is well organized, well balanced, and a delight to read."

—Robert Sharf, University of Michigan

The Great Divergence

China, Europe, and the Making of the Modern World Economy

Kenneth Pomeranz

"This book makes, bar none, the biggest and most important contribution to our new understanding of the causes and mechanisms that brought about 'the great divergence' between the West and the rest of China in particular. . . . An entirely new and refreshing departure. . . . [It] should immediately make all previous and most contemporary related work obsolescent."—Andre Gunde Frank, *Journal of Asian Studies*
