ANNOUNCEMENT

XIX INTERNATIONAL GEOLOGICAL CONGRESS

The nineteenth International Geological Congress will be held in Algiers from 8–15th September, 1952. "A" excursions are being organized for periods of five to fifteen days before the Congress, and "C" excursions for eight to eighteen days after the Congress; in addition, a series of "D" excursions to French W. Africa are being arranged for October. The membership fee has been fixed at 3000 Fr., and those proposing to attend are asked to communicate with—

M. le Secrétaire Générale,

Comité Algérien d'Organisation du XIX^e Congrès Géologique International,

Faculté des Sciences, Alger, Algeria.

Those who do not propose to attend are nevertheless asked to fill in and return Form A accompanying the First Circular, to assist in the compilation of a world list of geologists; in this connection, the Secretary-General will be glad to receive names and addresses of any geologists who may not have received the circular.
