The *Astrophysical Journal Supplement Series* (ISSN 0067-0049) is published monthly for the American Astronomical Society by the University of Chicago Press, 5801 S. Ellis Avenue, Chicago, IL 60637. Six volumes of two issues each are published each year. An author and subject index appears in the second issue of each volume.

The Supplements are intended to provide a medium for the publication of extensive investigations, such as wavelength lists of stars of special interest, photometric data, results of numerical integrations pertaining to stellar interiors, model stellar atmosphere calculations, and original memoirs.

Notice to subscribers: *Beginning with the 1993 November 1 issue, subscriptions for AAS Members will be handled directly by the Society. All other subscriptions will be handled by the University of Chicago Press as before. See below for specific information.*

Base subscription rates to the Supplement Series for one year: Paper or microfiche edition members of the American Astronomical Society \$40.00, all others \$180.00. Microfiche edition is mailed postage free; for paper edition, countries other than U.S.A. add \$30.00 for postage. Also available is a subscription for THE ASTROPHYSICAL JOURNAL and THE ASTROPHYSICAL JOURNAL SUPPLEMENT SERIES, in either paper/paper or paper/microfiche combinations, at \$205.00 for AAS Members and \$920.00 for others. **Postage:** Countries other than U.S.A., add \$30.00 for postage if ordering paper edition *Supplement Series* and microfiche *Journal* combination. If ordering microfiche *Supplement Series* and paper *Journal* combination, use applicable postal rates printed on inside front cover of the *Journal*. If ordering both publications in the paper edition, add \$30.00 to the applicable postage rate for the *Journal* for your geographical area. **Single issue price: \$15.00.** Libraries in certain developing Asian, African, and Central and South American countries may qualify for a reduced rate; the Managing Editor should be contacted for specific information.

Members of foreign national astronomical societies: In order to qualify for a reduced rate, members must belong to an affiliated institution which has a current subscription to the *Supplement Series*, and must send their request to the Managing Editor for approval.

Claims for missing issues should be made within the month following the regular month of publication. The publishers expect to supply missing issues free only when losses have been sustained in transit and when the reserve stock permits. Non-AAS Members: Fax: 312-753-0811. AAS Members: Fax: 202-234-2560.

Business correspondence: Non-AAS Members address THE ASTROPHYSICAL JOURNAL, The University of Chicago Press, 5801 S. Ellis Avenue, Chicago, IL 60637; AAS Members address AAS, 1630 Connecticut Avenue, NW, Suite 200, Washington, DC 20009.

Editorial Offices: Dr. Helmut A. Abt, Managing Editor, THE ASTROPHYSICAL JOURNAL, Kitt Peak National Observatory, Box 26732, Tucson, AZ 85726-6732 (for express mail use 950 Cherry Avenue, Tucson, AZ 85719). Telephone: 602-325-9214.

New manuscripts and manuscript preparation instructions: See Instructions to Authors published in the first issue of each volume.

Proofs: Authors will be sent the copyedited manuscript and one set of galley proofs for checking. The corrected edited manuscript, the corrected galley proofs, and all completed forms must be returned within 48 hours to the Production Manager, THE ASTROPHYSICAL JOURNAL, The University of Chicago Press, 5801 S. Ellis Avenue, Chicago, IL 60637 (312-753-3372/3373). Manuscripts will not be sent with proofs.

Address changes: If you change your address, please send notification to the relevant address under "Business correspondence" above and also to your local postmaster. Please allow four weeks for the change.

Postmaster: Send address changes to THE ASTROPHYSICAL JOURNAL, The University of Chicago Press, P.O. Box 37005, Chicago, IL 60637.

For back copies of the Supplements both in paper and microfiche, see inside front cover of Part 1 of the *Journal*, or write Subscription Department, The University of Chicago Press, P.O. Box 37005, Chicago, IL 60637.

Second-class postage paid at Chicago, Illinois, and an additional mailing point.
