# THE DAWN OF THE REFORMATION

Essays in Late Medieval  
and Early Reformation Thought

**HEIKO A. OBERMAN**

ISBN 0-8028-0655-4 • Paper, \$29.99

"This collection of seminal articles written over the last twenty years has inspired a generation of late Medieval and Reformation scholars. Full of learning and good sense, these essays document the continuity between the later Middle Ages and Reformation Europe. Here is Oberman at his most provocative and creative, a scholar from whom one always learns something new."—STEVEN E. OZMENT

*Harvard University*

"This splendid volume includes essays ranging in time from the fourteenth century to Calvin. While all the essays are important, the greatest value will be found in the exploration of the background of fourteenth- and fifteenth-century theology."

## Everybody's Shakespeare

Reflections Chiefly on the Tragedies  
Maynard Mack

*Everybody's Shakespeare* brings the insights and wisdom of one of the finest Shakespearean scholars of our century to the task of surveying why the Bard continues to flourish in modern times. Mack treats individually seven plays—*Hamlet*, *King Lear*, *Macbeth*, *Othello*, *Romeo and Juliet*, *Julius Caesar*, and *Antony and Cleopatra*—and demonstrates in each case how the play has retained its vitality, complexity, and appeal.

## The Matter of Scotland

Historical Narrative in Medieval Scotland  
R. James Goldstein

"Makes an exciting contribution to the understanding of medieval Scotland and to the pressing question of how the historicity of the texts we study might be approached. Goldstein demonstrates the extent to which twentieth-century students of history and literature stand to profit from study of the Middle Ages."—  
Louise Fradenburg.

## Elizabeth's Glass

Marc Shell

With "The Glass of the Sinful Soul" (1544) by Elizabeth I and "Epistle Dedicatory" and "Conclusion" (1548) by John Bale

Making Elizabeth's little-known work readily available to today's scholars for the first time, Marc Shell investigates the complex political, familial, theological, and ecclesiastical forces that made Elizabeth acutely conscious of incest and made her translation an emblem of controversy that stormed throughout Reformation Europe.

# NEW WORLDS, ANCIENT TEXTS

*The Power of Tradition and the Shock of Discovery*

ANTHONY GRAFTON

Describing an era of exploration during the Renaissance that went far beyond geographic bounds, this book shows how the evidence of the New World shook the foundations of the old, upsetting the authority of the ancient texts that had guided Europeans so far afield. What Grafton recounts is in effect a war of ideas fought, sometimes unwittingly, by mariners, scientists, publishers, and rulers over 150 years. He shows us explorers from Cortez and Columbus to Scaliger and Munster, laden with ideas gathered from ancient and medieval texts, in their encounters with the world at large. In colorful vignettes, firsthand accounts, published debates, and copious illustrations, we see these men and their contemporaries trying to make sense of their discoveries as they sometimes confirm, sometimes contest, and finally displace traditional images and notions of the world beyond Europe.

## MAD BLOOD STIRRING

VENDETTA AND FACTIONS IN FRIULI DURING THE RENAISSANCE

**Edward Muir**

Beginning on February 27, 1511, the Udine carnival massacre was the most extensive and damaging popular revolt in Renaissance Italy. This is a gripping account and analysis of that event, as well as the social structures and historical conflicts preceding it and the subtle shifts in the mentality of revenge it introduced.

“The research is vast, the scholarship is impeccable, and the author’s own insights are both innovative and far-reaching. Muir is among the best of the anthropologically informed historians writing in English.”—James Grubb, University of Maryland

## FROM BYZANTIUM TO ITALY

GREEK STUDIES IN THE ITALIAN RENAISSANCE

**N. G. Wilson**

Having all but disappeared from western literacy during the Middle Ages, classical Greek would recover a position of importance—eventually equal to that of classical Latin—only after a series of surprising failures, chance encounters, and false starts. N. G. Wilson offers a detailed account of the rediscovery and growing influence of classical Greek scholarship in Italy from the fourteenth to the early sixteenth centuries.

## Rhetoric and the Origins of Medieval Drama

JODY ENDERS

Focusing in particular on French drama, Enders redefines the very concept of origins, as she deepens our understanding of the relationship between theater and law in the Middle Ages. *Rhetoric and Society*. \$35.95

## Generosity and the Limits of Authority

*Shakespeare, Herbert, Milton*

WILLIAM FLESCH

Drawing upon the work of such theorists as Mauss, Blanchot, Bourdieu, Wittgenstein, Bloom, and Cavell, Flesch maintains that the literary power of Shakespeare, Herbert, and Milton is at its most intense when they are exploring the limits of generosity. \$32.95

## The Business of Playing

*The Beginnings of the Adult Professional Theater in Elizabethan London*

WILLIAM INGRAM

Possessing only quasi-amateur standing in the early 1500s, London's adult professional theater troupes became the basis for an enterprise that by the end of the century was to provide livelihoods for many stage players and businessmen. Ingram here looks at this remarkable growth through the eyes of the participants themselves—actors, managers, and entrepreneurs. \$38.50

## **Women in Power in the Early Modern Drama**

*Theodora A. Jankowski*

Examines the efficacy of women rulers in works by Lyly, Marlowe, Shakespeare, and Webster. "Provides a lucid articulation of the issues surrounding women's power in the Renaissance . . . of interest to the professional scholar and at the same time very accessible to a student readership." — Dympna Callaghan, author of *Woman and Gender in Renaissance Tragedy*. Cl: \$34.95; Pb: \$14.95

## **Daughters, Wives, and Widows**

Writings by Men about  
Women and Marriage in  
England, 1500-1640

*Edited by Joan Larsen Klein*

Offers a revealing look at men's attitudes toward women and marriage and provides a rare opportunity to read texts that have become relatively inaccessible. "Important for any general study of the English Renaissance, this book is bound to be a required reference work." — Barbara Rosen, author of *Witchcraft in England, 1558-1618*. Cl: \$37.50; Pb: \$14.95

## **A Gust for Paradise Milton's Eden and the Visual Arts**

*Diane Kelsey McColley*

This multidisciplinary illustrated study considers the arts of Eden in two ways. The first is topical, discussing poems, visual images, and music concerned with divine and human creativity. The second is ethical, interpreting these works as patterns for the creation of the arts and the preservation of the earth. McColley argues that Milton's poem brings to full expression an art of reviving Eden applicable to present cultural, environmental, and political concerns. Illus. \$49.95

## **True Rites and Maimed Rites**

Ritual and Anti-Ritual in  
Shakespeare and His Age

*Edited by Linda Woodbridge  
and Edward Berry*

Up-to-the-minute critical perspectives illuminate the role of ritual in Elizabethan and Jacobean culture. The introduction situates these essays in the traditions to which they are most closely related, in particular those focusing on fertility rites, scapegoating, carnival, rites of passage, and political ceremonies. "Compels recognition of the centrality of its subject for both Shakespearean critique and performance." — Lynda Boose, Dartmouth College. Cl: \$44.95; Pb: \$15.95

LOVE LYRICS FROM THE CARMINA BURANA

Edited and Translated with a Commentary by P. G. Walsh

“A superb volume, fully worthy of these famous but often misunderstood poems. P. G. Walsh’s unmatched erudition in Latin literature furnishes lucid grammatical explanations, incisive analysis of goliardic literary values and technique, and illuminating references to ancient and medieval parallels. His prose translations make the poems accessible also to those with little or no Latin.”—Janet M. Martin, Princeton University

## **GALILEO, COURTIER**

*The Practice of Science in the Culture of Absolutism*

**Mario Biagioli**

“One of the most challenging commentaries I’ve read on Galileo’s life and world. It offers many good things which rank in intensity and vividness with Pietro Redondi’s book, but rest on a firmer base of evidence and argument. Indeed, Biagioli’s command of primary and secondary documentation is spectacular and his readings of both texts and events are extremely deft and elegant.”—Anthony Grafton, Princeton University

**Announcing a groundbreaking new series...**

**Cambridge Studies in  
Renaissance Literature  
and Culture**

*Stephen Orgel, Editor*

The past twenty years have seen a broad and vital reinterpretation of the nature of literary texts, a move away from formalism to a sense of literature as an aspect of social, economic, political, and cultural history. Recent writing on the nature of representation, the historical construction of gender and of the concept of identity itself, has opened new avenues. This new series is designed to offer historically oriented studies of Renaissance literature and theater that make use of the insights afforded by theoretical perspectives. The view of history envisioned is above all a view of our own history, a reading of the Renaissance for and from our own time.

**Spenser's Secret Career**  
*Richard Rambuss*

Edmund Spenser (c. 1552–99) conducted two careers at once: a celebrated poet, he also pursued a lifelong career as secretary to various political and ecclesiastical figures. Richard Rambuss's ground-breaking book explores the ways in which this latter profession informed his poetic career. It argues that for Spenser, the manipulation of secrets provided a strategy for self-promotion and a means of measuring his distance from royal and aristocratic power. The study presents a new picture of Spenser and examines ideas of gender, power, and subjecthood in the Renaissance.

**Drama and the Market  
in the Age of  
Shakespeare**

*Douglas Bruster*

Douglas Bruster's provocative study of English Renaissance drama explores its links with Elizabethan and Jacobean economy and society, looking at the status of playwrights such as Shakespeare and the establishment of commercial theatres. He identifies in the drama a materialist vision which has its origins in the climate of uncertainty engendered by the rapidly expanding economy of London. His examples range from the economic importance of cuckoldry to the role of stage props as commodities, and the commercial significance of the Troy story in Shakespeare's *Troilus and Cressida*.

**The Renaissance  
Dialogue**

Literary Dialogue in Its Social  
and Political Contexts,  
Castiglione  
to Galileo

*Virginia Cox*

This is the first full-length study of the use of the dialogue form in Italy from the early sixteenth century until Galileo. Drawing on a wide range of literary, philosophical and scientific sources, it examines the characteristics which determined the genre's unrivalled popularity in the period as a vehicle for polemic, debate, technical exposition and comic drama. Formal developments are related to changes in social and intellectual practice, and the Italian tradition is placed within the broader European context.
