Proceedings of Symposia in Pure Mathematics

Volume 1

FINITE GROUPS

The eleven articles in this book are texts of addresses which were delivered at a symposium held in April, 1959. The discussions at the symposium were lively and served to indicate an enormous renewed interest in one of the oldest branches of algebra. The major new results in the field which are brought out in this book should serve to stimulate research activity in the Theory of Groups, one of the most beautiful subjects of mathematics.

The authors contributing papers to this book are:

THE ASSOCIATION FOR SYMBOLIC LOGIC is an international organization for the promotion of research and of critical studies in the field of formal logic. It is intended to provide a meeting ground for mathematicians and philosophers interested in this field, to encourage cooperation and mutual criticism among various groups and to promote a wider general knowledge and appreciation of current research and recent advances in this field. Membership dues are six dollars and fifty cents per annum payable in the currency of the United States. Members may obtain information concerning the possibility of payment in European currency from *Professor J. Dopp, Université de Louvain, 108 rue Marie-Thérèse, Louvain, Belgium.*

A BIBLIOGRAPHY OF SYMBOLIC LOGIC

By ALONZO CHURCH

A complete bibliography of symbolic logic covering the period 1666–1935, indexed by authors and by subjects, as it appeared in *THE JOURNAL OF SYMBOLIC LOGIC*, vol. 1, pp. 121–218, and vol. 3, pp. 178–212. On sale, in unbound form only, at \$4.25. The two parts are also on sale separately at \$2.50 for the first part and \$1.75 for the second part.

A continuation of the bibliography from January 1, 1936, is provided by reviews appearing in *THE JOURNAL OF SYMBOLIC LOGIC*. These reviews, which are indexed by authors biennially and by subjects at longer intervals, are designed to cover current literature in this field completely, including both books and articles in periodicals.

Orders for the *Bibliography*, and for the *Journal*, should be addressed to The Association for Symbolic Logic, 190 Hope Street, Providence 6, Rhode Island.
