# TEL

TRANSNATIONAL ENVIRONMENTAL LAW

*TEL* is dedicated to the development of new ideas on law's contribution to environmental governance in a global context. It approaches legal and regulatory developments with an interest in the contribution of nonstate actors and an awareness of the multi-level governance context in which contemporary environmental law unfolds.

*TEL* warmly invites new work on topics within the scope of the journal from scholars, lawyers and professionals active in fields related to environmental law and governance.

# The Africa Bibliography... Goes Digital

Cambridge University Press and the International African Institute are proud to announce the launch of the Africa Bibliography as a fully-searchable online database.

Now including:

- Full Bibliographic records  
Including books, journal articles and chapters
- Classification by region, country and subject
- Advanced search functionality  
Using quick search, advanced Boolean, faceted search and browse options
- Full-text linking  
Through CrossRef and Google Scholar
- OpenURL compatible
- Multiple search export formats  
Compatible with all familiar citation management software tools

Sign up for a FREE trial at [africabibliography.cambridge.org](http://africabibliography.cambridge.org)
