1984 Essex Scholarships

The Canadian Political Science Association hopes again to receive a grant from the Social Sciences and Humanities Research Council of Canada to permit three Canadian members to attend the Summer School in Social Science Data Analysis and Collection held each year at The University of Essex, Colchester, England. The course is sponsored by The Department of Government at Essex and by the European Consortium for Political Research. It is very highly regarded and is attended by Western Europeans and some North Americans.

The Association offers three scholarships of slightly in excess of \$2,000 each to defray the cost of travel, fees and accommodation for the obligatory four-week stay. The programme takes place in July and August of each year.

The selection committee prefers evidence of a commitment to the political science profession. In practice this would mean that scholarship holders are in the first year of their doctoral programme, or beyond.

We invite enquiries and will provide those interested with specific information on how to make a formal application. Please write, by February 28, 1984, to the secretary-treasurer, Canadian Political Science Association, University of Ottawa, Ottawa, Ontario, K1N 6N5.

Bourses d'Études 1984 à The University of Essex

L'Association canadienne de Science politique espère recevoir encore une subvention du Conseil de recherches en Sciences humaines du Canada pour permettre à trois de ses membres canadiens de participer au séminaire d'été de The University of Essex à Colchester, Angleterre

(The Essex Summer School in Social Science Data Analysis and Collection). Ce séminaire est co-patronné par The Department of Government à The University of Essex et « The European Consortium for Political Research ». Participent à ce séminaire de haut niveau des chercheurs venus d'Europe occidentale et d'Amérique du Nord.

L'Association offre trois bourses d'environ \$2,000 destinés à defrayer le coût de voyage, les frais d'inscription, et le logement pour un séjour obligatoire de quatre semaines. Le séminaire a lieu chaque année en juillet-août.

Le comité de sélection accordera la préférence à des candidats déjà engagés dans des études avancées de la science politique, par exemple être au moins inscrits au doctorat.

Pour tout renseignement, écrire avant le 28 février 1984 au secrétaire-trésorier, Association canadienne de Science politique, Université d'Ottawa, Ottawa, Canada K1N 6N5.

Travel Grants to Learned Societies' Meetings

CPSA—Annual General Meeting, University of Guelph, Guelph, June 10, 11, 12, 1984

The Canadian Political Science Association receives a travel grant through the Social Science Federation of Canada to assist *members* to come to the annual meeting from distant places. These funds are particularly designed to help participating younger members or those participants whose university may be unable to help them defray their costs. They are all apportioned before the meetings take place.

The assumption remains that established assistant, associate, and full professors who are participating as paper-givers, discussants, or chairpersons will be subsidized by their own university. At the date of the final allocation of grants (approximately May 1 of each year) any funds not used by participants will be allocated to junior non-participating members of the Association. We stress this point to planners of the programme who must inform participants of these deadlines.

To be considered, requests for travel funds must reach the secretary-treasurer, Canadian Political Science Association, University of Ottawa, Ottawa, Canada K1N 6N5 by *April 13, 1984*. ✓

Your letter of application must state: (1) that you have approached your own institution for funds; (2) the amount of any partial grants you expect to receive from other sources than the CPSA; (3) your academic rank; (4) whether or not you will be participating in the programme.
