## Art after Philosophy

*Boris Pasternak's Early Prose*

**Elena Glazov-Corrigan**

“Thanks to Glazov-Corrigan’s study, the awkward jostling of his early and late periods that has been the *sine qua non* of Pasternak studies gives way to a vision of his creative unfolding.” —Olga Peters Hasty, professor of Slavic languages and literatures, Princeton University

### **"I am a Phenomenon Quite Out of the Ordinary":**

The Notebooks, Diaries and Letters of Daniil Kharms

*Translated and Introduced by Anthony Anemone and Peter Scotto*

(March 2013, 978-1-93623-596-4, 600 pp., cloth, \$69.00)

With a host of newly translated materials, Anemone and Scotto offer a unique window into the writing process and impassioned personal musings of Daniil Kharms. Posthumously recognized as one of the leading figures of the Soviet Avant-Garde and a master of the minimalist absurd, Kharms's artistic energy is pervasive even in his diaries and letters, and the book intersperses poems and prose miniatures with artfully selected glimpses into his tumultuous personal life.

### **Close Encounters: Essays on Russian Literature**

*Robert Louis Jackson* (March 2013, 978-1-93623-556-8, 400 pp., cloth, \$89.00)

Surveying the Russian literary and critical canon, *Close Encounters* explores themes of chance and fate, freedom and responsibility, beauty and disfiguration, and loss and separation, as well as concepts of criticism and the moral purpose of art.

"For sheer power of convincing argument and didactic knowhow, *Close Encounters*, I think, can only be compared to the essays of T. S. Eliot. They need no introduction. Try reading any single one of them and you will find yourself reading all of them."

— Horst-Jürgen Gerigk, Universität Heidelberg

### **Prosaics and Other Provocations: Skeptical Answers to Accursed Questions**

*Gary Saul Morson* (July 2013, 978-1-61811-161-6, 300 pp., cloth, \$85.00)

Morson's witty approach to literature's shortest genres argues that life's defining events are not grand but ordinary, that the world's fundamental state is mess, that contingency and freedom are real, and that some masterpieces have developed an alternative to structure and require a "prosaics of process."

### **Russian Monarchy: Representation and Rule**

*Richard Wortman* (August 2013, 978-1-61811-258-3, 325 pp., cloth, \$85.00)

This new volume from the author of *Scenarios of Power* explores the effect of symbolic representations of the Russian imperial government on law, administrative practice, and concepts of national and imperial identities throughout centuries of monarchical rule.

### **More recent titles from Academic Studies Press**

- **Shapes of Apocalypse: Arts and Philosophy in Slavic Thought**

*edited by Andrea Oppo* (May 2013, 290 pp., 978-1-61811-174-6, cloth, \$85)
