*Fifth Edition*

Malcolm N. Shaw QC, University of Cambridge

The popularity of his monumental and definitive works established Shabtai Rosenne as the undisputed expert on the International Court of Justice's law and practice of his time. Irrefutably the leading work on the court, previous editions of *Rosenne's Law and Practice of the International Court* have influenced generations of legal scholars, practitioners, judges, and students alike. The Fifth Edition, by Malcolm N. Shaw, combines his expertise as both an academic and practitioner to bring this monumental resource up-to-date while retaining Rosenne's distinctive voice, erudition, and rigorous objectives.

Preserving Rosenne's focus on the caselaw of the Court, the Fifth Edition is supplemented with increased references to the leading academic literature, and, like the Fourth Edition, is divided into four substantive volumes:

- Volume I: The Court as one of the principal organs, in particular the principal judicial organ, of the United Nations. Diplomats and legal advisers who deal with matters relating to the Court on a political level and through different organs and offices of the United Nations will appreciate the full discussion of the diplomatic, political, and administrative aspects of the Court's affairs.
- Volume II: Jurisdiction and the treatment of jurisdictional matters by the Court. This volume also includes the Court's advisory jurisdiction, and how that work relates to complex legal issues in matters of major political import.
- Volume III: The Court's procedure.
- Volume IV: The work's final volume includes the English texts of the Charter of the United Nations, the Statute of the Court, the Practice Directions, the Rules of the Court, and a full set of indexes.

The Fifth Edition (updated through 2015) of *Rosenne's Law and Practice of the International Court* is an essential component of all international law libraries and an indispensable work for those practicing in the field, who will all appreciate access to the most recent work on the Court.

**Professor Malcolm N. Shaw** is a practicing Barrister at Essex Court Chambers. In addition to a varied and wide international practice, he also has an extensive career in the academy. He is currently a Senior Fellow at the Lauterpacht Centre for International Law, University of Cambridge.

Publishing Summer 2017

The result of the United Kingdom referendum in June 2016 on membership of the European Union had immediate repercussions across the UK, the EU and internationally. As the dust begins to settle, attention is now naturally drawn to understanding why this momentous decision came about and how and when the UK will leave the EU. What are the options for the new legal settlements between the UK and the EU? What will happen to the current political landscape within the UK in the time up to and including its exit from the EU? What about legal and political life after Brexit? Within a series of short essays, *Brexit Time* explores and contextualises each stage of Brexit in turn: pre-referendum; the result; the process of withdrawal; rethinking EU relations; and post-Brexit. During a time of intense speculation and commentary, this book offers an indispensable guide to the key issues surrounding a historic event and its uncertain aftermath.

- The publication date of June 2017 is timed to co-incide with the first anniversary of the 2016 UK Referendum which is the starting point of the book, with its end point as the triggering of Article 50 by the UK in 2017
