## HE THAT COMETH

Sigmund Mowinckel

Translated by G. W. Anderson

A detailed survey of the origin, development, and content of the idea of the Messiah, and of its relationship to the concept of the Suffering Servant on the one hand and of the Son of Man on the other. The exhaustive documentation and comprehensive analyses, not only of biblical sources but of contemporary scholarship as well, will earn for this volume a place of lasting importance among all serious students of Christian thought and Judaism. **Coming soon. \$6.50**

## JESUS CHRIST THE RISEN LORD

Floyd V. Filson

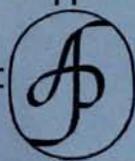

Dr. Filson here formulates a biblical theology using the Resurrection as the interpretive fact—proclaiming that the entire Bible gains its unity from this **one** event. Ministers, teachers, and laymen will find here new understanding of the biblical message for our time, and a guide to the resurging interest in biblical theology. **Published September 10. \$4**

## THE JEWS FROM CYRUS TO HEROD

Norman H. Snaith

A succinct history of the religious and political development of the Jewish people during the five centuries preceding the birth of Jesus. This study offers every minister, layman, and historian a concise, readable, and **accurate** account of the period between the Old and New Testaments—bringing to them a deeper appreciation of the background and environment into which Jesus was born and of the people who first heard his message. **Published September 10. \$2.50**
