

MRS BULLETIN

March 1997

A Publication of the Materials Research Society

Volume 22, Number 3 ISSN: 0883-7694 CODEN: MRSBEA

SILICON CARBIDE ELECTRONIC MATERIALS AND DEVICES

- 19 Silicon Carbide Electronic Materials and Devices**
M.A. Capano and R.J. Trew,
Guest Editors
- 25 Physical Properties of SiC**
W.J. Choyke and G. Pensl
- 30 SiC-Seeded Crystal Growth**
R.C. Glass, D. Henshall,
V.F. Tsvetkov, and C.H. Carter, Jr.
- 36 An Overview of SiC Epitaxial Growth**
D.J. Larkin
- 42 Fundamentals of SiC-Based Device Processing**
M.R. Melloch and J.A. Cooper, Jr.
- 50 Radio-Frequency Power Transistors Based on 6H- and 4H-SiC**
K. Moore and R.J. Trew

IUMRS/MRS NEWS

- 57 ICEM-96 Joins 1996 MRS Fall Meeting**

MRS NEWS

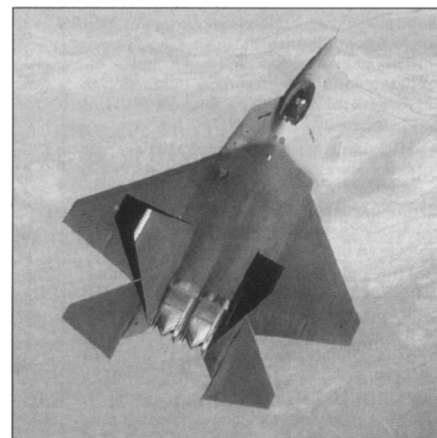

- 74 Julia Phillips Receives 1996 Woody Award**
- 76 MRS Council Approves Headquarters Building**
- 81 Graduate Student Award Finalists to Compete at the 1997 MRS Spring Meeting**
- 82 MRS Invites Nominations for the Von Hippel Award, MRS Medal, and Turnbull Lectureship**

ABSTRACTS

- 85 Abstracts for May 1997**
Journal of Materials Research
- 92 Abstracts of MRS Internet Journal of Nitride Semiconductor Research, Volume 1, Articles 15-25**

DEPARTMENTS

- 5 Research/Researchers**
- 12 Washington News**
- 12 Public Affairs Forum**
- 14 Resources**
- 82 Advertisers in This Issue**
- 84 Historical Note**
- 95 Calendar**
- 100 Classified**
- 103 Postterminaries**

ON THE COVER: Materials for the More Electric Aircraft and other advanced applications. Prototype of the Air Force's F-22 advanced fighter aircraft. This system is representative of the types of applications where SiC electronic materials and devices may be inserted. For more information, see the section that begins on page 19.

The Materials Research Society (MRS), a non-profit scientific association founded in 1973, promotes interdisciplinary goal-oriented basic research on materials of technological importance. Membership in the Society includes over 12,000 scientists, engineers, and research managers from industrial, government, and university research laboratories in the United States and nearly 50 countries.

The Society's interdisciplinary approach differs from that of single-discipline professional societies because it promotes information exchange across the many technical fields touching materials development. MRS sponsors two major international annual meetings encompassing approximately 60 topical symposia, and also sponsors numerous single-topic scientific meetings. The Society recognizes professional and technical excellence and fosters technical interaction in local geographic regions through Sections and University Chapters.

MRS participates in the international arena of materials research through the International Union of Materials Research Societies (IUMRS). MRS is a member of the Federation of Materials Societies and is an affiliate of the American Institute of Physics.

MRS publishes symposium proceedings, *MRS Bulletin*, *Journal of Materials Research*, and other publications related to current research activities.

MRS Bulletin (ISSN: 0883-7694) is published 12 times a year by the Materials Research Society, 9800 McKnight Road, Pittsburgh, PA 15237. Application to mail at periodicals rates has been approved at Pittsburgh, PA and at additional mailing offices. POSTMASTER: Send address changes to *MRS Bulletin* in care of the Materials Research Society, at the address listed; phone (412) 367-3003; fax (412) 367-4373. Printed in the U.S.A.

Additional copies of articles in *MRS Bulletin* may be made at \$2.50 per article. This fee can be paid to the Materials Research Society through the Copyright Clearance Center, Inc., 27 Congress Street, Salem, MA 01970.

Membership in MRS is \$75 annually for regular members, \$25 for students. Dues include an allocation of \$29 (\$17 for students) to a subscription to *MRS Bulletin*. Individual member subscriptions are for personal use only. Non-member subscription rates are \$135 for one calendar year (12 issues) within the U.S.A. and \$185 elsewhere. Single copies may be purchased for \$16 each. Send subscription orders to Subscription Department, Materials Research Society, 9800 McKnight Road, Pittsburgh, PA 15237.

MRS Bulletin is included in *Current Contents/Engineering, Computing, and Technology*; *Current Contents/Physical, Chemical, and Earth Sciences*, the *SciSearch*® online database, *Research Alert*®, *Science Citation Index*®, and the *Materials Science Citation Index*®. Back volumes of *MRS Bulletin* are available in 16 mm microfilm, 35 mm microfilm, or 105 mm microfiche through University Microfilms Inc., 300 North Zeeb Road, Ann Arbor, Michigan 48106.

CHAIR—EDITORIAL BOARDS

E.N. Kaufmann • Argonne National Laboratory • Argonne, Illinois, USA

INTERNATIONAL ADVISORY BOARD

M. Balkanski University of Pierre and Marie Curie Paris, France	L.C. Ianniello U.S. Department of Energy, Retired Washington, DC, USA	R. Roy The Pennsylvania State University University Park, Pennsylvania, USA
R.G. Elliman Australian National University Canberra, Australia	H-D. Li National Science Foundation-China Beijing, China	T. Sugano Toyo University Tokyo, Japan
S. Hsu Chung Shan Institute of Science and Technology, Retired Taiwan, China	P. Rama Rao Ministry of Science and Technology New Delhi, India	

TECHNICAL EDITORIAL BOARD

J.C. Bravman Stanford University Stanford, California, USA	F.Y. Fradin Argonne National Laboratory Argonne, Illinois, USA	S. Namba Nagasaki Institute of Applied Science Tokyo, Japan
C.W. Draper AT&T Engineering Research Center Princeton, New Jersey, USA	B.M. León Universidad de Vigo Vigo, Spain	A.D. Romig Jr. Sandia National Laboratories Albuquerque, New Mexico, USA
E. Fogarassy Centre de Recherches Nucléaires Strasbourg, France	G.L. Liedl Purdue University West Lafayette, Indiana, USA	J. Soares Universidade de Lisboa Lisboa, Portugal
		K.C. Taylor General Motors R&D Center Warren, Michigan, USA

MRS BULLETIN PUBLICATIONS SUBCOMMITTEE

M. Nastasi, Chair Los Alamos National Laboratory Los Alamos, New Mexico	R.L. Fleischer Rensselaer Polytechnic Institute Troy, New York	F. Shapiro Drexel University Philadelphia, Pennsylvania
F.W. Clinard Los Alamos National Laboratory Los Alamos, New Mexico	A.J. Hurd Sandia National Laboratories Albuquerque, New Mexico	C.W. White Oak Ridge National Laboratory Oak Ridge, Tennessee
R.C. Ewing University of New Mexico Albuquerque, New Mexico	M. Libera Stevens Institute of Technology Hoboken, New Jersey	

1997 MRS EXECUTIVE COMMITTEE

President R. Hull University of Virginia	Treasurer A. Hurd Sandia National Laboratories	Councillors R. Gibala University of Michigan
Vice President and President-Elect R.J. Nemanich North Carolina State University	Immediate Past President C.V. Thompson Massachusetts Institute of Technology	A.I. Taub Ford Research Laboratory
Secretary K.S. Jones University of Florida		Executive Director Materials Research Society John B. Ballance

INTERNATIONAL UNION OF MATERIALS RESEARCH SOCIETIES

President M. Doyama Nishi-Tokyo University Tokyo, Japan	Vice President H-D. Li Tsinghua University Beijing, China	Secretary C. Li Aviation Industries of China Beijing, China	Treasurer G.M. Crean University College Cork, Ireland	Immediate Past President P. Siffert Centre de Recherches Nucléaires Strasbourg, France	General Secretary R.P.H. Chang Northwestern University Evanston, Illinois USA
