THE NEW EASTERN EUROPE

The Khrushchev Era and After

By J. F. BROWN. A specialist in East European affairs appraises the changes — political, economic, social, and cultural — that have occurred in Albania, Bulgaria, Czechoslovakia, East Germany, Hungary, Poland, Romania, and “revisionist” Yugoslavia since 1956, the year of Stalin’s death. 320 pp. U-590/\$2.25

THE SOVIET ECONOMY An Introduction

Revised Edition

By ALEC NOVE. Completely revised and updated to include new material on the Khrushchev era and beyond, this now-standard text remains “perhaps the most balanced attempt yet in the English language to describe the Soviet economy as it is.”—*The Economist* (London). ca. 350 pp. U-513/\$2.50

THE RISE OF THE SOVIET EMPIRE

A Study of Soviet Foreign Policy

Revised Edition

By JAN LIBRACH. This “welcome new survey of Soviet foreign policy from 1917 to the present” (*The New York Times*) has now been revised and expanded to cover Khrushchev’s fall from power and events since that time. ca. 400 pp. U-556/\$2.95

THE SOVIET UNION TODAY

A Concise Handbook

Revised Edition

By KENNETH R. WHITING. *Current History* said of the original edition: “This clear, concise, informative presentation should prove of invaluable assistance in an introductory course on the Soviet system. Now, this comprehensive volume has been completely revised and updated throughout. 450 pp. U-523/\$2.95

Now back in print:

RUSSIAN POLITICAL INSTITUTIONS

Revised Edition

By DEREK J. R. SCOTT. The 1961 edition was called “the most useful introductory survey of the subject in English.”—MAX BELOFF, in *Parliamentary Affairs*. The ideal text for comparative government courses, it has been completely revised to account for changes during the Khrushchev decade and for developments following his ouster. 272 pp. U-509/\$2.25

Coming in July, 1966:

ISSUES OF SOVIET POLITICS Studies in Decision-Making

SURVEY

A Journal of Soviet and East European Studies

No. 61

October 1966

Germany—Today and Tomorrow

is the subject of a special enlarged issue of SURVEY

Among the topics discussed by leading students of current German affairs are American, British, and French attitudes towards Germany and German reunification, Germany's policy towards Russia and East Europe, and the change in West German public opinion. Other articles deal with internal developments in the Federal Republic and the DDR, the succession problem in East Germany, and the troubled relationship between the party and the intellectuals in East Germany.
