International Conference on Climate and History

8-14 July 1979

at the **CLIMATIC RESEARCH UNIT**

Director: Prof. H. H. LAMB

University of East Anglia, Norwich, U.K.

The conference will take place at the University of East Anglia, Norwich, England, during the five-day period 8-14 July 1979. A social programme and excursions will be arranged for participants and accompanying persons.

The purpose of this conference is to bring together climatologists, historians and archaeologists from throughout the world to discuss climate and its possible impact on past and present societies.

Some financial assistance may become available to the organizing committee to facilitate travel and/or subsistence of a limited number of participants.

Potential contributors and participants are requested to notify as soon as possible and, in any case, not later than 31 December 1978:

**The Conference Secretary (Climate and History Conference),
Climatic Research Unit,
School of Environmental Sciences,
University of East Anglia,
