**China's Republican
Revolution**

*Edited by Eto Shinkichi and
Harold Z. Schiffrin*

An international group of China scholars examine the social and political currents of the decades preceding the 1911 Revolution, the revolution itself, and its main actors and groups of various political persuasion. In particular, Sun Yat-sen, "father of the nation," is given due attention as a person and leader and for his political thought and policies. 1995, 298 pages, £55.00

China Memoirs

Chiang Kai-shek and the War
Against Japan

Owen Lattimore

Compiled by Fujiko Isono

Owen Lattimore, eminent scholar of Mongol and Chinese studies, was an inside observer of many of the tumultuous events that marked China's history in the first half of this century. Readers interested in that history and in Lattimore the person will find this candid autobiographical account most intriguing. 1990, 268 pages, £37.50
