

Guidance when Applying the Canadian Triage and Acuity Scale (CTAS) to the Geriatric Patient – ERRATUM

Michael J. Bullard; Don Melady; Marcel Emond; and members of the CTAS National working group: Erin Musgrave; Bernard Unger; Etienne van der Linde; Rob Grierson; Thora Skeldon; David Warren; Janel Swain

doi:10.1017/cem.2017.363

The original publication of this article had “Executive Summary” as part of the article title. The published article is, in fact, a full article and not an executive summary; the executive summary is provided as supplementary material to the article proper.

The publisher regrets this error, and the original has since been amended.
