

# Recruitment of the endangered limpet *Patella ferruginea* in the Chafarinas Islands (SW Mediterranean) – CORRIGENDUM

---

Javier Guallart, José Templado and Ángel A. Luque

---

## Corrigendum

**Cite this article:** Guallart J, Templado J, Luque AA. (2022). Recruitment of the endangered limpet *Patella ferruginea* in the Chafarinas Islands (SW Mediterranean) – CORRIGENDUM. *Journal of the Marine Biological Association of the United Kingdom* **102**, 596–596. <https://doi.org/10.1017/S0025315422000960>

First published online: 16 December 2022

DOI: <https://doi.org/10.1017/S0025315422000923>. Published online by Cambridge University Press: 21 November 2022

In the above mentioned article, the end of the sixth line of the abstract contains the following error: instead of “Smaller recruits were found on the lower infralittoral”, it should say “Smaller recruits were found on the lower midlittoral”. This error has now been rectified in the published version of the article.

The online version of this article has been updated.
