Newcomen Awards in Business History

Presented by

THE NEWCOMEN SOCIETY IN
NORTH AMERICA

in cooperation with

THE BUSINESS HISTORY REVIEW

¶ Two Newcomen Awards in Business History are offered annually for articles published in the *Business History Review*. The *First Prize*, of \$300, is awarded the article judged, according to the rules outlined below, to be the best of the year. The *Special Award*, of \$150, is for the best article by a graduate student or a recent Ph.D. who has not published a book.

¶ Prize articles are selected by a panel of judges composed of a representative of The Newcomen Society and members of the Advisory Board of the *Business History Review*. No member of the Advisory Board or editorial staff shall be eligible for a prize, and articles so authored will not be considered in the judging. Authors eligible for the *Special Award* shall also be eligible for the *First Prize*, but in no event shall both prizes be awarded for the same article. The Advisory Board reserves the right to withhold the *Special Award* in the event that eligible articles do not, in the Board's judgment, merit prize consideration. The awards program is administered by the editorial offices of the magazine.

¶ Criteria for selection include: originality, value, breadth, and interest of contribution, quality of research materials and methods, and quality of presentation.

AMERICANS ON THE ROAD:

From Autocamp to Motel,
1910–1945

Warren James Belasco

\$14.95, illustrated

This is the first full account of the rise of that popular American institution, the motel.

The book traces the rise of automobility and roadside accommodations from free, municipally subsidized autocamps through the first tourist cabins of the mid-twenties to the establishment of the standardized, nation-wide motel chains that punctuate today's roadside.
