**Stanislaw
Brzozowski and the
Polish Beginnings
of 'Western
Marxism'**

ANDRZEJ WALICKI

This book introduces the English-speaking reader to Brzozowski (1878–1911) who, though little known in the West, is an important forerunner of the intellectual tradition of 'Western Marxism' commonly associated with Lukács and Gramsci.

Social Contract, Free Ride

A Study of the Public Goods Problem

ANTHONY DE JASAY

This novel account of the public goods dilemma shows how the social contract, in its quest for fairness, actually helps breed the parasitic 'free-riding' it is meant to suppress, and is a principal cause of the poor functioning of organized society.

Are you concerned about today's social
and political problems?

SOCIETY is the magazine you have been waiting for!

Since 1963, SOCIETY has been at the center of debate on the major social and political issues of our day. Operating out of the deep conviction that real-world problems matter, SOCIETY explores the changing needs and concerns of a sophisticated readership that expects fearless, penetrating analysis of the social attitudes and political beliefs underlying the headlines of the moment.

Six times a year, SOCIETY brings you clear thinking and perceptive analysis, presented in readable articles and special features by leading social scientists. It's the publication of choice for those who want to look beyond their own personal and professional worlds, into a larger arena where key thinkers address fundamental issues that concern us all.

HARVARD

STUDIES IN THE WAY OF WORDS

Paul Grice

This volume, Grice's first book, includes the long-delayed publication of his enormously influential 1967 William James Lectures and he has carefully arranged and framed the sequence of essays to emphasize not a certain set of ideas but a habit of mind, a style of philosophizing.

"[Grice] is one of the great figures of analytic philosophy, and his uniqueness lies in his ways of formulating issues and putting points. Grice's intellect, power, and charm are all vehicles for conveying a vision of philosophy, a vision that has much to say to analytic philosophers today."

—Hilary Putnam

BEYOND OPTIMIZING

A Study of Rational Choice

Michael Slote

Michael Slote challenges the long-dominant conception of individual rationality by appealing to a set of real-life examples, claiming that our intuitive reaction to these examples, illustrates a significant and prevalent...way of thinking.

"He has written a most engaging, thoughtful, and thought-provoking book."

—Alan Ryan,
Princeton University

HEGEL AND SKEPTICISM

Michael N. Forster

Michael Forster demonstrates that Hegel, in contrast to what many Anglo-Saxon philosophers thought, did not ignore epistemology, but in fact fought a tireless campaign to defeat the threat of skepticism.

Forster's work should dispel once and for all the view that Hegel was naive or careless in epistemological matters and should cause a reevaluation of Hegel and German Idealism.

THE OPEN WORK

Umberto Eco

Translated by Anna Cancogni

Introduction by David Robey

The Open Work, first published in Italian twenty years ago, explores issues central to the study of literature today. This entirely new edition, constructed for the English-language audience by Eco himself, includes an authoritative introduction by David Robey as well as key essays on Eco's mentor Luigi Pareyson.

Information for Authors

Prospective authors should send their contributions, typed and double-spaced on quarto or A4 paper, to the Editor, Mr Renford Bambrough, Royal Institute of Philosophy, 14 Gordon Square, London WC1H 0AG. They should retain a second copy for the purpose of checking proofs. Articles submitted should conform to *Hart's Rules for Compositors and Readers* (Oxford University Press, 1967). The Editor may alter manuscripts wherever necessary to make them conform to the stylistic and bibliographical conventions of the journal. Single quotation marks should be used except where there is a quotation within another. The titles of books and journals should be underlined (i.e. to be printed in italics), as should foreign words. Titles of articles should be in single quotation marks.

Notes and references will be printed as footnotes and should be typed (double-spacing) on a separate sheet, numbered consecutively. They should be referred to in the text by superscripts. Citations should be as follows:

¹H. B. Acton, *The Philosophy of Punishment* (London: Macmillan, 1969), 192–198.

²R. S. Downie and Elizabeth Telfer, 'Autonomy', *Philosophy* **46**, No. 178 (October 1971), 295.

³Op. cit. note 1, 101–112.

⁴W. C. Wimsatt, 'Some Problems with the Concept of Feedback', *Boston Studies in the Philosophy of Science*, VIII, R. C. Buck and R. S. Cohen (eds.) (Dordrecht: D. Reidel, 1971), 242.

The return of contributions cannot be guaranteed unless they are accompanied by stamps, or in the case of contributions from abroad, by international coupons, to cover postage. A self-addressed envelope should also be enclosed.

Only corrections of printer's errors can be allowed in proofs. Authors are therefore asked to send any alterations or additions to Mr Bambrough as soon as possible after receiving his letter of acceptance.

Authors of articles, discussion papers and review articles will receive twenty-five offprints free of charge. Additional offprints can be ordered when proofs are returned by arrangement with the Institute.

Books for review should be sent to the Editor at the Institute and not to Cambridge University Press. Publishers are asked to note that non-philosophical works are not reviewed in *Philosophy*.

Authors' corrected proofs should be sent to Mr Bambrough at St John's College, Cambridge. All other correspondence should be addressed to the Institute and not to any address in Cambridge.
