

## **The Association for the Study of Nationalities (Eastern Europe and ex-USSR)**

The Association for the Study of Nationalities of Eastern Europe and ex-USSR (ASN) is composed of scholars, researchers, and graduate students interested in nationalities problems and issues of ethnic conflict in the former Soviet Union and in the countries of Eastern Europe.

The ASN sponsors international conferences in the USA and abroad; it sponsors panels at each AAASS Annual Convention and at the World Congresses of Soviet and East European Studies, and maintains close contact with several academic institutions located in the former USSR and Eastern Europe, as well as with numerous Western European and North American organizations.

The ASN publishes the quarterly journal, *Nationalities Papers*, a monograph series in 'Issue Studies,' the series of topical reports on up-to-date issues, *Analysis of Current Events*, and the quarterly *ASN Newsletter*.

ASN membership is international with all five continents represented, including members from the Russian Federation and other former Soviet Republics. A full roster of the membership is printed in the *ASN Directory of Members*.

### **Errata**

1. In the Editorial Note of the previous issue of *Nationalities Papers* (Vol. XXII, No. 2) "co-ed"(!) should be "op-ed." (We hope that *puzzled* readers will now be *amused* readers.)
2. Due to a computer glitch, the title of the book under review on p. 477 in the previous issue should read "Najbilšyj žinočyj koncentracijnyj tabir v nimeččyni." (Persistent readers who unscrambled the first two words in the original are to be congratulated.)
