International Review of the Red Cross has been published, in French, under various titles, by the International Committee of the Red Cross (ICRC) since 1869. Its first complete edition in English was issued in 1961.

- As the official organ of the ICRC and the International Red Cross and Red Crescent Movement,
- specializing in international humanitarian law and ICRC doctrine,
- recording the international activities of the Red Cross, mainly for reference purpose, as a chronicle of events,

International Review of the Red Cross provides a constant flow of information and maintains the necessary link between the members of the International Red Cross and Red Crescent Movement.
