Du Bois Review: Social Science Research on Race

Published for the W.E.B. Du Bois Institute for African and African American Research, Harvard University

Editors

Lawrence D. Bobo, Harvard University, USA Michael C. Dawson, University of Chicago, USA

Du Bois Review: Social Science Research on Race (DBR) is an innovative periodical that presents and analyzes the best cutting-edge research on race from the social sciences. It provides a forum for discussion and increased understanding of race and society from a range of disciplines, including but not limited to economics, political science, sociology, anthropology, law, communications, public policy, psychology, and history. Each issue of DBR opens with remarks from the editors concerning the three subsequent and substantive sections: STATE OF THE DISCIPLINE, where broad-gauge essays and provocative think-pieces appear; STATE OF THE ART, dedicated to observations and analyses of empirical research; and STATE OF THE DISCOURSE, featuring expansive book reviews, special feature essays, and occasionally debates. Each issue also now includes a conversation between Professor Henry Louis Gates, Jr. and an eminent scholar on broad areas of research regarding race.

8. References must be arranged alphabetically under author(s) name(s) and then in chronological order if several papers by the same author(s) are cited. The full title of the paper must be given together with the first and last page numbers. Book titles should be followed by the place of publication and the publisher.

9. Tables and figures should be in monochrome (not colour), clearly laid out and designed to fit onto a page 234 mm by 155 mm. Vertical lines between columns should be omitted, and horizontal lines limited to the top and bottom of the table, with an additional one below the column headings. Totals and percentages should be labelled, and units identified.

10. First proofs will be sent to the contact author as an electronic link to a .pdf document which the author downloads.

11. Paper offprints are not automatically supplied to authors. Upon publication the corresponding author will receive a pdf of their article. Paper offprints can be purchased by using the form supplied at proof stage.
