SHOWDOWN

Thurgood Marshall and the Supreme Court Nomination That Changed America

Wil Haygood

"An elegant, fascinating and important tale, rendered with relentless originality and the author's superb gift of portraiture. Showdown reveals the essence of the great Thurgood Marshall, as well as the historical forces and often surprising backstage mechanics that enabled him to become the first African-American Supreme Court Justice."

-Michael Beschloss

KNOPF | CLOTH | 416 PAGES | \$32.50

SAVING CAPITALISM

For the Many, Not the Few

Robert B. Reich

"This is an important and provocative book about the erosion of America's middle class by one of the nation's most astute and passionate social critics. Reich provides an original and compelling analysis of how the rules governing America's form of capitalism have contributed to growing income inequality and of how these rules have been distorted by the role of money in the U.S. political system."

-Laura D'Andrea Tyson

KNOPF | CLOTH | 304 PAGES | \$26.95

THE COURT AND THE WORLD

American Law and the New Global Realities

Stephen Breyer

In this far-reaching and timely book, Justice Stephen Breyer examines the work of SCOTUS in an increasingly interconnected world. To trace how foreign considerations have come to inform the thinking of the Court, Justice Breyer begins with national security in its Constitutional dimension: how should the Court balance this imperative with others, chiefly the protection of basic liberties, in its review of presidential and congressional actions?

KNOPF | CLOTH | 400 PAGES | \$27.95

THE NEW TSAR

The Rise and Reign of Vladimir Putin

Steven Lee Myers

Former New York Times Moscow bureau chief Steven Lee Myers gives us the fullest, most absorbing account we have of Vladimir Putin's rise to power. Myers makes clear how Putin orchestrated a new authoritarianism and swiftly dispatched dissenters, even as he retained the support of many. As the world struggles to confront a newly assertive Russia, the importance of understanding Putin has never been greater.

KNOPF | CLOTH | 576 PAGES | \$32.50

DISSENT AND THE SUPREME COURT

Its Role in the Court's History and the Nation's Constitutional Dialogue

Melvin I. Urofsky

Melvin Urofsky discusses in detail the role the Supreme Court has played in helping to define what the Constitution means, how the Court's majority opinions have not always been right, and how the dissenters, by positing alternative interpretations, have initiated a critical dialogue about what a particular decision should mean.

PANTHEON | CLOTH | 544 PAGES | \$35.00

BLACK FLAGS

The Rise of ISIS

Joby Warrick

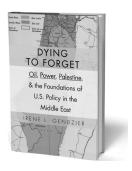

An unprecedented character-driven account of the rise of ISIS. Joby Warrick shows how the zeal of Abu Musab al-Zargawi, the group's architect, and the strategic mistakes of Presidents Bush and Obama led to the banner of ISIS being raised over huge swaths of Syria and Iraq.

Chances for Peace

Missed Opportunities in the Arab-Israeli Conflict

BY ELIE PODEH

This innovative reexamination of thirty pivotal episodes in the Arab-Israeli conflict, beginning with the 1919 Faysal-Weizmann Agreement and ending with the 2008 Abu Mazen-Olmert talks, reveals both missed opportunities and realistic possibilities to negotiate lasting peace.

APSA Task Force Reports

The APSA task force reports seek to expand the public presence of political science by:

- applying political science research to public policy issues,
- and sharing expertise on the most significant topics of public concern.

APSA's current task force report!

Let's Be Heard! How to Better Communicate Political Science's Public Value, in a special issue of PS

Read the complete APSA task force report, which identifies how individual scholars and professional organizations can make political science's insights and discoveries more accessible, more relevant, and more valuable to more people.

These reports and others are also available as FREE .pdf downloads!

Offering Online Scholarship

Scholarship is central to APSA membership. Current and recent back issues of all three APSA journals are available online to members through Cambridge Journals Online. Members can also gain access to the full historical collection through JSTOR subscriptions.

Creating Networks and Connecting Scholars

APSA strives to provide valuable opportunities for members to network with colleagues, share ideas, and form relationships to drive their careers. Organized Sections provide an outlet for specialized scholarship and networking through APSA Connect. APSA Connect is APSA's connected community that creates a secure private community platform that empowers members to create, manage, and engage online communities. It is designed to improve engagement, promote information sharing, increase collaboration, and provide a forum for innovation.

Providing Career and Employment Resources

APSA eJobs is the most comprehensive online resource of political science employment opportunities and job candidates. It is fully searchable and updated daily with new job listings and candidate resumes. The eJobs placement service at the Annual Meeting brings employers and candidates together in person to facilitate the hiring process.

Supporting Political Science Research

The Centennial Center for Political Science & Public Affairs, located at APSA's headquarters building, provides office space for scholars and students conducting field work in Washington, D.C. Through the Center, APSA also offers a number of research grant opportunities for scholars working in various subfields.

As the the oldest, largest, and most comprehensive political science society in the world, APSA supports more than 12,000 members in 100 countries and advances political science in many different ways.
