As a result of a technical error at the Publisher, the same article was erroneously published twice, once on the 19<sup>th</sup> of March, 2018 (<https://doi.org/10.1192/bji.2017.37>), and again on the 23<sup>rd</sup> of April, 2018. Subsequently it is necessary to retract the second appearance of the article in favour of the first for there to be a single version of record, though there is no issue with the article

itself. Cambridge University Press sincerely apologise to the authors and readers for this mistake.
