

ERRATUM

In the September 2011 issue of the journal, in the article by van Velzen et al (van Velzen EVH, Reilly JS, Kavanagh K, Leanord A, Edwards GFS, Girvan EK, Gould IM, MacKenzie FM, Masterton R. A retrospective cohort study into acquisition of MRSA and associated risk factors after implemen-

tation of universal screening in Scottish hospitals. *Infect Control Hosp Epidemiol* 2011;32(9):889–896), the academic degree for the fifth author (Edwards) is incorrect. The correct degree is PhD (not MD). The authors regret this error.
