Craig, Department of Philosophy, University of California at Berkeley, Berkeley, California, 94720 or to *Anil Nerode, Department of Mathematics, Cornell University, Ithaca, N.Y. 14850* or to *C. E. M. Yates, Department of Mathematics, University of Manchester, Manchester, England* or to *Dagfinn Føllesdal, Department of Philosophy, University of Oslo, Blindern, Oslo 3, Norway.*

Authors and publishers are requested to send copies of books for review to *Alonzo Church, The Journal of Symbolic Logic, U.C.L.A., Los Angeles, California 90024.*

Notices and announcements for publication in the JOURNAL should be sent to Secretary of the Association, *Jon Barwise, Department of Mathematics, University of Wisconsin, Madison, WI 53706.*

All manuscripts for publication should be typewritten with wide margin and wide spacing between the lines, and the author should keep a complete copy; footnotes should be numbered consecutively and should also be typed with wide margin and wide spacing (preferably on a separate sheet). If an article is of more than thirty-two (printed) pages in length, the editors reserve the right to divide it between two or more, not necessarily consecutive, numbers. Authors receive fifty reprints of each article, with covers, and additional reprints may be purchased if desired.

The Association assesses page charges at the rate of $30.00 per page for all papers (excluding reviews) that appear in the JOURNAL. All bills for page charges will be submitted to the author's host institution or employing company, if any. Authors are not liable for the payment of page charges, nor for their acceptance and payment by employing organizations.

Attention is called to the fact that the JOURNAL invites submission of (1) original technical papers in the field of symbolic logic, (2) expository papers in this field, (3) papers whose main point is philosophical and which either bear upon logic or make use of its methods, and (4) studies in the history of logic in which modern technical developments are taken into account.
