

# Canadian Journal of Animal Science

*Canadian Journal of Animal Science* publishes original research on all aspects of domestic livestock and their products. Papers are accepted in the following subject areas: Behavior and Management, Breeding and Genetics, Meats, Physiology, Ruminant Nutrition, and Nonruminant Nutrition. Reviews and symposium papers are also published, as well as abstracts of technical papers presented at the annual meeting of the Canadian Society of Animal Science.

University of Guelph, Guelph, Ontario N1G 2W1

## Forthcoming papers

**Behavior and Management** The approach response of piglets to the sow's nursing vocalizations, N.J. Lewis and J.F. Hurnik □ Efficiency of insecticidal ear tags on fly control and milk production of dairy cows **Breeding and Genetics** Comparative productivity of cows after receiving two embryos at transfer, J.R. Reid, J.W. Wilton, and J.S. Walton **Meats** The effect of ribbing site on fat thickness measurements and the prediction of beef carcass composition, S.D.M. Jones □ Carcass characteristics of bison (*Bison bison*) steers, A.W.L. Hawley **Physiology** Somatostatin immunization and growth in lambs, B. Laarveldt **Ruminant Nutrition** Estimation of the nutritive value of silages, J.P. Laforest et al. □ A rapid procedure for microbial protein estimation, R.A. Zinn and F.N. Owens **Nonruminant Nutrition** Effects of feeding deoxynivalenol-contaminated wheat diets to pregnant and lactating gilts and their progeny, D.W. Friend **Symposium** Animal products, nutrition and health.

- No. 9. MILK COMPOSITIONAL QUALITY AND ITS IMPORTANCE IN FUTURE MARKETS (1984). Published 1984. 115 pp. Price £12.00 (\$19.20) + £3.50 (\$5.60) airmail supplement.
- No. 10. HILL AND UPLAND LIVESTOCK PRODUCTION (1985). Published 1985. 168 pp. Price £12.00 (\$19.20) + £3.50 (\$5.60) airmail supplement.

*Illustrations.* The same material should not normally be presented in tables and figures. Legends should be typed on a separate sheet.

- (a) Diagrams should be drawn in Indian ink, about twice the size of the finished block, on Bristol board, stout tracing paper or plastic film. Photographed diagrams are also accepted. Lettering inside the framework of the diagram should be avoided as far as possible but if unavoidable it should be included on a fly-leaf. Marginal lettering should be inserted *lightly in pencil on the original diagram* or on a fly-leaf.
- (b) Photographs intended for half-tone reproduction should be on glossy paper. They will be accepted only if found necessary by the Editors.
- (c) Colour plates are unlikely to be accepted unless authors bear the cost.

*Tables* should be as simple and as few as possible. Each table should be typed on a separate sheet.

*Abstract.* Every paper should have a short abstract (not more than 250 words) complete in itself and understandable without reference to the paper. *The abstract will be printed at the beginning of the paper.* An abstract is not required for a note.

*References.* Only papers closely related to the author's work should be referred to; exhaustive lists should be avoided. The arrangement of references should be as in recent papers in *Animal Production*; details are given in the notes for guidance.

*Proofs* are supplied once and must be returned corrected to the Editors *within 3 days*. Only essential corrections should be made.

*Reprints.* Twenty-five reprints of each paper will be supplied free to authors on request. Further copies may be purchased if the order is sent at the proof-stage. Reprints are not supplied for notes.

*Animal Production* is published six times a year in two volumes. Annual subscription is £78·00 (or \$145·00 in the USA and Canada) and the price for a single part is £12·00 (or \$25·00) net.

*Proceedings of the British Society of Animal Production (New Series)* ceased publication in 1975 and the material is now published as a separate section in the June issue of *Animal Production*.

Correspondence regarding subscriptions and sales (current and back numbers of the Journal and the Proceedings), should be addressed to: Scottish Academic Press Ltd, 33 Montgomery Street, Edinburgh, Scotland EH7 5JX.

Other enquiries, including those concerning copyright, should be addressed to: Durrant Periodicals, Winton Lea, Pencaitland, East Lothian, Scotland EH34 5AY.
