

## **ERRATUM**

Davison, P. S., Frith, C. D., Harrison-Read, P. E. & Johnstone, E. C. (1996). Facial and other non-verbal communicative behaviour in chronic schizophrenia. *Psychological Medicine* **26**, 707–713. On page 713, the acknowledgement section was omitted, it should read as follows.

The authors wish to thank Dr Brian Pentland and Dr David G. C. Owens for their kindness in arranging access to the patients with Parkinson's disease, all of the patients for their cooperation with the study and the Wellcome Trust for financial support, as Dr Philip Davison was a Wellcome Research Registrar during the tenure of this project.
