

Call for Papers, CPSA 1984 Annual Meeting

Members of the Association are invited to submit proposals for papers to be presented at the Annual Meeting of the Canadian Political Science Association to be held at the University of Guelph, Guelph, Ontario, June 10, 11, and 12, 1984.

A proposal should include: a title; a summary (about 300 words) of the argument of the paper; a description of the method of analysis; and a complete address for authors and co-authors.

Proposals may be submitted to any member of the Programme Committee listed below. The Committee invites suggestions concerning topics for panels and plenary sessions as well as proposals for papers. Those which do not fit into any specific section should be sent to the chairperson.

The deadline for submission of proposals is November 4, 1983.

Completed papers should be not more than 30 pages in length, double-spaced, and should not have been previously published.

Papergivers are required to provide the CPSA secretariat with two copies of their paper by May 1 and to prepare up to 100 copies for distribution to members.
