

ERRATA

As a result of production errors, the *LARR* volume 45 special issue did not indicate that Nancy Postero of the University of California, San Diego, was the guest editor. An introduction to the special issue, by Nancy Postero and Philip Oxhorn, can be found in *LASA Forum* 42, no. 1 (Winter 2011), and at *LARR*'s online archives (<http://lasa.international.pitt.edu/eng/larr/index.asp>).

As a result of the author's oversight, in the article "Our Indians in Our America," by Tracy Devine Guzmán, the end of the first sentence in footnote 44 is ambiguous. It should have read "state of Pará."
