Medical History is devoted to all aspects of the history of medicine, but is concerned primarily with the evolution of scientific and social concepts in medicine, as well as with the many disciplines such as economics, ethnology, literature, philosophy, politics, theology, science, technology, etc., that impinge upon it. It is published quarterly in January, April, July, and October.

EDITORIAL OFFICE

Manuscripts, review copies of books, and all editorial correspondence should be addressed to The Editors, *Medical History*, Wellcome Institute for the History of Medicine, 183 Euston Road, London NW1 2BE, UK.

SUBSCRIPTIONS, SALES, AND ADVERTISING

Enquiries regarding institutional subscriptions, orders for the annual *Supplement*, and advertising should be addressed to Professional & Scientific Publications, BMA House, Tavistock Square, London WC1H 9JR, UK.

ANNUAL SUBSCRIPTION RATES

Individuals wishing to subscribe to *Medical History* should write to Tracey Wickham, Wellcome Institute, Wellcome Building, 183 Euston Road, London NW1 2BE, UK. The individual subscription rate which includes membership of The Friends of the Wellcome Institute is £30.00 (UK), £34.00 (overseas).

Institutional subscribers (*Medical History* only) £78 (single rate worldwide); \$120 (USA, direct orders only).

Institutional subscribers (*Medical History* and annual *Supplement*) £110 (single rate worldwide), \$170 (USA, direct orders only).

All subscribers (annual *Supplement*) £32 (single rate worldwide); \$50 (USA, direct orders only).
(Airmail rates on request.)

Single issues of the current and previous volumes may be purchased at £12.00 (including postage) each. *Note:* Pre-1966 issues are not available. 1966-1990 issues, where available, may be obtained by direct application to the Wellcome Institute Library, 183 Euston Road, London NW1 2BE, UK. Issues from

1991 onwards may be obtained from Professional & Scientific Publications, BMA House, Tavistock Square, London WC1H 9JR, UK.

Microform (16mm microfilm, 35mm microfilm, 105mm microfiche) and *photocopies* are available from University Microfilms International, 300 North Zeeb Road, Ann Arbor, Michigan 48106, USA. *Photocopies* also available from UnCover Company, 3801 E Florida, Suite 200, Denver, CO 80210, USA.

INFORMATION FOR CONTRIBUTORS

Articles should not exceed 10,000 words in length. Editions of previously unpublished texts and documents as well as short papers will also be considered for publication. No paper will be considered if it is not satisfactorily documented. The Editors reserve the right to make stylistic or bibliographical emendations.

The following notes are not intended to be comprehensive: would-be contributors are strongly recommended to use the style sheet, available from the Assistant Editor, for guidance. Manuscripts must be submitted in duplicate, with double spacing and wide margins: the author should retain a copy. *References* must be typed with double spacing and arranged by number in order of their citation in the text: strict adherence to the standard form is required. *Two illustrations* are allowed free of charge, at the Editors' discretion; any in addition will be charged to the author. Each caption must include particulars of the source of the illustration and should be typed on a separate sheet.

Each contributor will receive a *proof*, which should be corrected and returned to the Assistant Editor as quickly as possible. Any changes other than the correction of typographical errors will be charged to the author. Authors will receive 25 *offprints*, and a copy of the journal, free of charge.

50 years of Clinical Trials: Past, Present and Future

Thursday 29 - Friday 30 October 1998

Westminster Central Hall, London

CALL FOR PAPERS

This international multidisciplinary conference will examine all aspect of the past, present, and future of clinical trials. The event will consist of plenary sessions, parallel sessions, discussions, and presentations selected from submissions. We are now inviting abstracts for presentations and poster sessions.

Aims of the Conference

- To exchange knowledge and perspectives about the past, present and future of therapeutic evaluation.
- To create a dialogue among statisticians, clinical trialists, clinicians, historians, patients' representatives and social scientists about the means and ends of clinical trials.
- To commemorate the 50th anniversary of the publication of the MRC Streptomycin trial.

Themes

- The historical development of health care evaluation
- International differences in approaches to health care evaluation
- The politics of randomised trials and other forms of evaluation
- Ethical aspects of randomised controlled trials

For further information about attending the event and the call for papers, please complete this form and return it to: Jane Lewis, BMA/BMJ Conference Unit, British Medical Association, BMA House, Tavistock Square, London, WC1H 9JP, UK
tel: +171 383 6605, fax: +171 383 6663,
e-mail: Jane.Lewis@bma.org.uk

- Consumer participation in randomised controlled trials
- Industry, government regulation and clinical trials
- The quality of randomised controlled trials
- Statistical aspects of randomised controlled trials
- The everyday business of running randomised controlled trials
- Trials of historical and/or methodological significance
- How trials affect clinical practice
- Trials and health policy: priorities and clinical trials
- The future of health care evaluation

The conference will be of interest to:

- Clinical Trialists, Historians, Statisticians, Social Scientists, Clinicians, Patients' representatives, Ethicists, and other Health Care Professionals.
