# The New English Bible: Greek Text

EDITOR: R. V. G. TASKER

This book gives the Greek text adopted for translation in the New English Bible. Quotations from the Old Testament have been indicated in the text by square half-brackets and references given in the footnotes. There is a short introduction explaining the principles followed by the translators in deciding the text and a list of the main textual witnesses. All variants alluded to in the footnotes to the New English Bible are discussed briefly in an Appendix. 30s. net
