Support, timelines and hard decisions
Rights and realities in the permanency planning debate
What the research tells us:
Permanency planning, adoption and foster care

Home alone

Does child self-care constitute a problem?

The client as citizen

Self-determination and empowerment through the group experience

Family group conferencing in child protection

An evaluation

An interview with Alison Taylor
Reflections on abuse of vulnerable children, the nature of institutions, the heart of social work, the need to speak out, shooting messengers and other important matters

Children Australia

Volume 25 2000

Children Australia is a quarterly journal which aims to provide an opportunity for service providers, academics and others concerned with children and families to report on their work, to raise issues and to share their views.

The opinions expressed in Children Australia are those of its contributors and are therefore not necessarily those of the Editor or members of the editorial board.
