

Let us give you a hand addressing the new American Heart Association guidelines

- ▶ If you would like to learn more about how the LSP AutoVent2000 or AutoVent3000 can help you save time and money, improve patient care and address the new AHA guidelines - simply contact us at 1-800-225-4577 for the nearest LSP Distributor.
- ▶ And don't forget to ask your LSP Distributor for a copy of the new video "Prehospital Ventilation - Issues and Answers."

The LSPI AutoVent Series.
