# Mazingira

The Journal for Environment and Development

**Mazingira**, published by Tycooly International with the support of the United Nations Environment Programme, provides a forum for the examination of environmental issues and a source of international environmental information. Read by technical experts, policy makers and concerned laypeople, **Mazingira** provides a quarterly mixture of news and comment from some of the foremost international writers on environmental issues. The editorial board reflects the international bias of the publication.

# CITES

## GUIDELINES FOR THE TRANSPORTATION OF LIVE ANIMALS

At the 1981 meeting of the Parties to the Convention on International Trade in Endangered Species of Wild Fauna and Flora, held in New Delhi, the delegates approved the adoption of the above Guidelines which were originally drafted under the supervision of John A. Burton, Executive Secretary of the ffPS.

All Parties to CITES are now expected to ensure that animals are shipped in compliance with these Guidelines.

Essential reference for all concerned with the transport of live animals, including:

Veterinary Surgeons  
Animal Welfare Inspectors  
Government Agencies

Order from ffPS: Price £10 (inc P&P) (Airmail post invoiced at cost)
