Estate Planning

“To every sower comes a day to reap, to every reaper comes a day to garner.”

The effects of

TAX EROSION OF ASSETS

can be very greatly reduced by timely action securing more comfort in retirement and often allowing an increase in benefits to heirs and legatees.

BRITISH LIFE RELIANCE

by virtue of the very extensive range and variety of the contracts offered are particularly well equipped to prepare

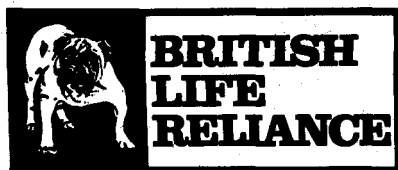

ESTATE CONSERVATION SCHEMES

The **OBJECTIVE** of estate conservation is the re-arrangement of assets so as to **CONSOLIDATE** or even **INCREASE** the spendable income of the older generation and **DEFEND** the interests of heirs and prospective legatees from the effects of taxation as well as may be achieved by secure and proper means.

In order to formulate opinion and prepare a plan certain personal information is required. This is treated in the utmost confidence and all advice given is absolutely **WITHOUT FEE or EXPENSE** or any **OBLIGATION** to follow the course recommended.

Please complete the questionnaire and return to the following address:—
