Roehampton London S.W.15

## COMPREHENSIVE PSYCHIATRIC CARE

The Priory is a private hospital offering the highest standards of treatment for emergency, acute and general psychiatric patients. It is the largest, longest-established private psychiatric hospital in the Greater London Area.

Medical Staff include 4 full-time Consultant Psychiatrists, 2 Senior Registrars and 6 Visiting Consultants. Other Consultants are welcome to continue to treat their own patients, during and after their in-patient stay.

An emergency 24-hour consultation and out-patient service is provided and patients can usually be admitted to the Hospital without delay.

Patients with alcoholism and drink-related problems can also be treated at Galsworthy House, which is nearby, overlooking Richmond Park. The Programme consists of an intensive four week residential course, followed by out-patient care tailored to suit individual needs.

The professional staff includes physicians, therapists and qualified counsellors, and has the support of The Priory's psychiatric staff and facilities. An essential contribution to rehabilitation is made by recovered alcoholics.
