

CORRIGENDUM

Supplementation of xanthophylls decreased proinflammatory and increased anti-inflammatory cytokines in hens and chicks – CORRIGENDUM

Yu-Yun Gao, Qing-Mei Xie, Ling Jin, Bao-Li Sun, Jun Ji, Feng Chen, Jing-Yun Ma and Ying-Zuo Bi

(First published online 19 April 2013)

doi:10.1017/S0007114512000025, Published by Cambridge University Press, November 2012.

The authors are sorry to say that an error appears in the published version of the paper by Gao *et al.*⁽¹⁾.

In experiment 1: “(containing 20·07 and 30·94 mg/kg xanthophylls, as we determined, respectively)” should in fact read: “(containing 20·07 and 39·94 mg/kg xanthophylls, as we determined, respectively)”.
