THE Society, founded in 1879 to advance the study of Greek language, literature, history and art, maintains conjointly with the Society for the Promotion of Roman Studies

1. A Library of some 25,000 volumes, containing many costly works and rare periodicals.
2. Large collections of classified photographs for reference and research.
3. Some 25,000 lantern slides covering the whole domain of ancient life and art. Besides the general collection, there are sets of slides with lecture texts and some film strips.

Both books and slides can be sent to Members by post.

By arrangement with the Society of Antiquaries the quarterly general meetings are normally held in that Society's rooms at Burlington House, Piccadilly, W. 1.

The Journal of Hellenic Studies, recognized at home and abroad as one of the foremost periodicals in the field of classical scholarship, contains articles by leading authorities, numerous illustrations and reviews of recent books of importance to classical studies and is at present published yearly as a single volume, which members receive free of charge, the price to the public being £3 per volume.

The Annual Subscription to the Society is £2. The Composition Fee for life-membership is twenty guineas for persons over fifty years of age and thirty guineas for others. The subscription for Libraries and Student Associates is £2 and £1 respectively. There is no entrance fee.

Applications for membership or inquiries about the Society should be addressed to the Secretary at the above address.
