IN THEATRICAL LIGHTING,
the originator has always been the leader.
That's because continuous evolution in the
development of original Kliegl equipment
is based upon an enormous—and constantly
expanding—foundation of experience
earned in the design of systems to varied
and exacting individual requirements.

Current selection of Kliegl quality components
make the custom design of versatile and
dependable systems an easily attainable
standard. And, as always, Kliegl engineering
experience is available to make the most
sophisticated refinements wholly practical.

Write for descriptive literature or specific
application assistance.

Dictionary Catalog of the MUSIC COLLECTION

The New York Public Library

Literature pertaining to virtually all musical subjects, and scores covering the broadest range of musical style and history, are represented in this catalog. Special strengths of the collection include folk songs, 18th- and 19th-century librettos, full scores of operas, complete works, historical editions, Beethoven, Americana, American music, periodicals, vocal music, literature on the voice, and manuscripts.
532,000 cards reproduced in 33 volumes *Price: \$1990.00*

Supplement I

17,000 cards reproduced in 1 volume *Price: \$90.00*

Supplement II

19,000 cards reproduced in 1 volume *Price: \$105.00*

Catalog of the THEATRE and DRAMA COLLECTIONS

The New York Public Library, Research Libraries

To be supplemented

This catalog may be purchased in three individual sections, as follows:

Part I. Drama Collection: Listing by Cultural Origin

This catalog represents the major portion of the Reference Department's Drama Collection. Included are more than 120,000 plays written in western languages. Translations of plays published in the Cyrillic, Hebrew and Oriental alphabets are also listed. Excluded are children's plays, Christmas plays, and moralities. Holdings include approximately 20,000 entries for American plays; English, 21,000; French, 22,000; Spanish, 16,000; German, 14,000; and a strong representation of plays written in minor languages.

120,000 cards reproduced in 6 volumes *Price: \$530.00*

Part I. Drama Collection: Author Listing

The cards in *Listing by Cultural Origin* are here presented in an alphabetical author arrangement, prepared by the staff of G. K. Hall & Co.

Estimated 120,000 cards reproduced in 6 volumes *Price: \$720.00*

Part II. Theatre Collection: Books on the Theatre

The word "theatre" is interpreted in its broadest sense to include the stage, cinema, radio, television, carnivals, nightclub performances, the circus, and magic. Published books and periodicals in these fields are basic to the Theatre Collection. As an indication of its scope, holdings relating to the stage encompass stage history, production techniques, acting, theatre criticism, biography and material on individual theatres. Although published plays are not included at the present time, typescripts of plays, promptbooks, and shooting scripts of motion pictures make up an important segment of the Collection's holdings.

This dictionary catalog represents over 23,500 volumes and includes index citations for selected articles in various periodicals.

121,000 cards reproduced in 9 volumes *Price: \$480.00*

Now available for immediate shipment

10% additional charge on orders outside the U. S.

Descriptive material on these titles and a complete catalog of publications are available on request.

Shakespeare's Stagecraft

J. L. STYAN

PROFESSOR OF ENGLISH, UNIVERSITY OF MICHIGAN

In his new book Professor Styan focuses on Shakespeare as a practical man of the theatre whose plays were written for acting, in a theatre of a particular type.

He shows how Shakespeare exploited the potentialities and limitations of the Elizabethan playhouse, considers the implied stage directions in the verse, and discusses the plays as a sequence of stage effects planned with great art to enrich, reinforce and modify one another.

Cloth \$7.95 Paper \$2.45

Other books by J. L. STYAN:

The Dramatic Experience A Guide to the Reading of Plays

Students and other readers faced with the cold text of a play will learn in an enjoyable way from this book how to get the most out of the language, plot and characters from Greek tragedy to Beckett.

Attractively illustrated with drawings, diagrams and charts in black and buff by David Gentleman.

"For all ages, from below 12 to above 100."

— *Library Journal* \$4.95

The Dark Comedy

"Mr Styan examines what has happened in modern times to the tradition of tragedy and comedy, namely, that it has been superseded by something for which we only have the misleading name, tragi-comedy. . . . Anyone wishing to know what modern drama is all about will enjoy reading *The Dark Comedy*."

— *Eric Bentley*

"A grasp of the 'darkness' in this comedy is important to anyone who would understand our age; this study is an important step in that grasping."

— *Virginia Quarterly Review* \$5.50

The Elements of Drama

"A straightforward and lucid introduction to the subject, and of its kind a model. The book is sensible, intelligent, interesting and detailed."

— *Harvard Summer News*

In this presentation of the various elements of drama the author emphasizes that plays are meant to be judged in performance and that the play is something created by cooperation of author, actor, producer and audience.

Cloth \$5.50 Paper \$1.95

The School of Shakespeare
The Influence of Shakespeare on English Drama, 1600-42
DAVID L. FROST

According to Dr Frost, the Jacobean dramatists make better sense if seen as working in Shakespeare's light; almost all his successors lifted an idea, a phrase, a character or a scene.

More important, Shakespeare's influence revolutionized two dramatic forms, the revenge play and the romance. Dr Frost produces new evidence that the supposed initiators – Marston and Beaumont and Fletcher – merely followed Shakespeare's lead. \$9.50

Shakespeare Survey 20
Edited by KENNETH MUIR

The twentieth annual survey of Shakespearian study and production features four papers on 'Shakespearian and other Tragedy' given at the 1966 Stratford Conference. There are also articles on aspects of the plays, scene design, sources, and performances in East Germany, Romania and Brazil. \$8.50
(All twenty Surveys so far published are available)

**The Dramatist and the
Received Idea**
Studies in the Plays of Marlowe and Shakespeare
WILBUR SANDERS

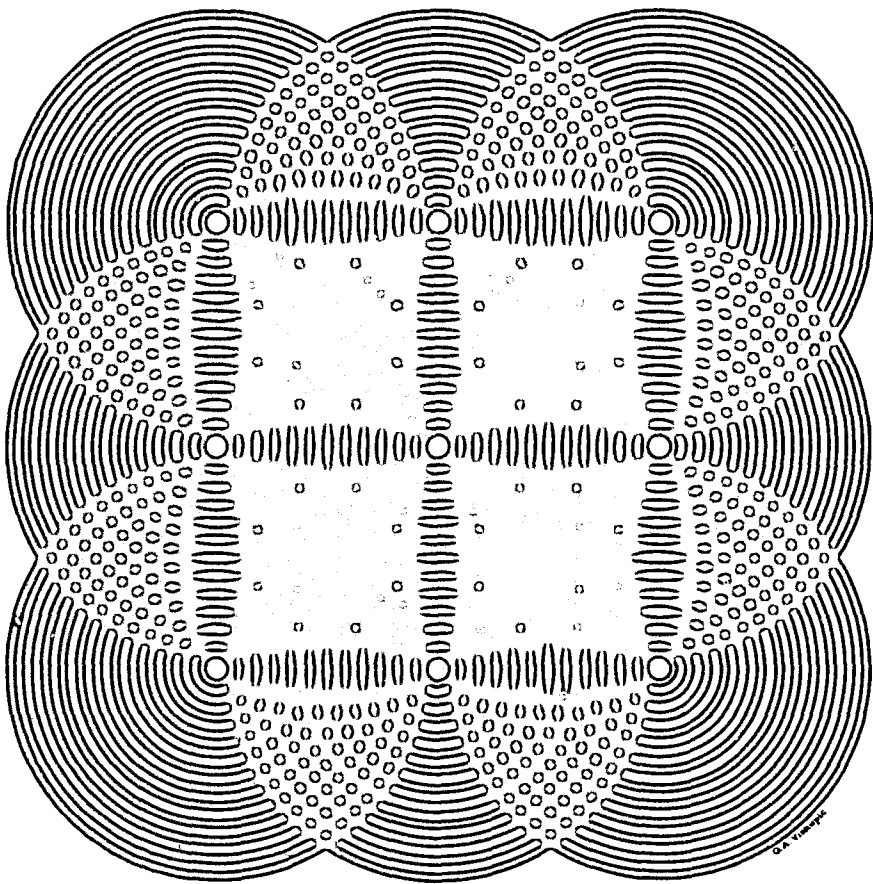

Is the writer a kind of ventriloquist's doll for the spirit of the age? In an original contribution to this perennial debate on the relationship of the writer to his time, Wilbur Sanders examines seven plays by Marlowe and Shakespeare in which 'cultural background' influenced the authors' creative activity, and evaluates the relevance of 'background material' to the study of literature. \$9.50

**Some Unconscious Influences
in the Theatre**
ANN JELICOE

Miss Jellicoe describes her own experience watching performances of her play *The Knack* before different audiences and in different theatres as a starting point in examining the unconscious influences that often affect audience reaction. (The Judith Wilson Lecture 1967) 95 cents

**MODERN
SPANISH
THEATRE** Edited by

Michael Benedikt and George E. Wellwarth

**Editors of Modern French Theatre
and Postwar German Theatre**

This unique collection of twentieth-century Spanish drama brings together eight of the most significant plays of the exciting theatrical renaissance that has taken place in Spain in the last fifty-five years. Except for the Lorca, each is available here in English for the first time. The plays are involved both with fantastic questions and with pressing political realities. As one critic has said, they represent the theatre of anguish and the theatre of magic. Each play is prefaced by an illuminating introduction. \$7.95

NEMIROVITCH-DANTCHENKO

MY LIFE IN THE RUSSIAN THEATRE

Vladimir Nemirovitch-Dantchenko was Stanislavski's collaborator and a founder with him of the Moscow Art Theatre. He was also an inspired innovator as director, teacher of actors and theoretician, and it was his intuition in literary matters that brought to the theatre such writers as Chekhov, Gorki, Andreiev and Leo Tolstoy, so avant-garde at that time and still highly relevant today. It is around his relationships with these men that this book is organized, but Nemirovitch-Dantchenko also shows how his working methods and seminal ideas complemented in a remarkable way those of Stanislavski. There is here much delightful anecdote about famous and obscure persons, and a vivid account of the famous eighteen-hour first conversation between him and Stanislavski. Long unavailable, this important work is reprinted in the John Cournos translation and with the foreword by Oliver M. Saylor. Added are a chronology of the author's life by Elizabeth Reynolds Hapgood and an introduction by Joshua Logan. Illustrated.

Paperback, \$3.45. Cloth, \$9.50

THE MOSCOW ART THEATRE

STANISLAVSKI

STANISLAVSKI'S LEGACY

Revised and Expanded Edition

EDITED AND TRANSLATED BY
ELIZABETH REYNOLDS HAPGOOD

As time goes on more and more articles, speeches, notes and memoirs left behind by Stanislavski at the time of his death have come to light. These add to the rich bequest already enjoyed by all who are interested in or capable of profiting by his life's work. For the first edition of this book, Mrs. Hapgood, Stanislavski's friend and translator, chose items which not only concentrate on the essence of his work and are most suited to the comprehension and use of creative artists in all countries, but are "sparkling offhand glimpses into theatre history"—*The Saturday Review*. Among the additions to this expanded edition are a series of brilliant letters about the interpretation of Othello and "Memories of the Past. . . Dreams of the Future," a completely new section in which Stanislavski spoke in various ways of his vision of the theatre and actors of the future. Included is an affirmation of his faith, "The View at Seventy." Although some of these new materials date from his last active years, all are an integral part of an overall pattern of Stanislavski's purposes and accomplishments in the theatre and in life. "The most informal—and in some ways the most delightful—of all Stanislavski books."—Sir Michael Redgrave. "It should equal in influence and use *An Actor Prepares* and *Building a Character*."—*Library Journal*.

- **THE MERCHANT OF VENICE**
- **THE TAMING OF THE SHREW**
- **ALL'S WELL THAT ENDS WELL**

*Twelve more plays will be published in
September, and the balance in March 1969.*

The New Shakespeare in paperback reproduces, in full, an edition of which twentieth-century scholarship can be justly proud.

This massive work is the product of many minds, and more than forty years. Begun in 1921, it has been edited throughout by John Dover Wilson, initially with Sir Arthur Quiller-Couch, and later with the help of such distinguished authorities as G. I. Duthie, Alice Walker and J. C. Maxwell.

The editors have taken full advantage of the bibliographical discoveries of Pollard, Greg and McKerrow, which made possible a new understanding of how Elizabethan manuscripts were turned into the first printed editions.

These discoveries give us a more accurate knowledge of what went on in the printing houses — as well as the theatres — of Shakspeare's day. They form the basis of this complete recension of the text of Shakespeare which, it is hoped, comes close to what Shakespeare actually wrote.

There are full notes, textual and explanatory, introductions, a stage history for each play, and a valuable glossary.

Picasso's sketch of Shakespeare has been chosen for the covers of this twentieth-century text of the plays.

The Hooded Eagle

Modern German Drama on the New York Stage

Peter Bauland

From 1894 to 1965, from Hauptmann and Sudermann to the Brecht revival and the appearance of new and important German dramatists, this critical history surveys the German plays produced in translation on the New York stage.

It discusses the major movements of modern German theater, compares the English texts of significant plays with their original German, records and evaluates the contemporary critical and commercial reception of these plays in New York, and explores the relationship of foreign plays to native American drama.

The result is a volume of particular interest to the student of the theater, providing a vivid panorama of New York theater history and the place in it of modern German dramatic writing.

An appendix lists pertinent available production information on all plays of Germanic origin recorded as appearing in New York during the period covered in this critical history. \$9.00

“Thank you, Mr. Clurman”

To Harold Clurman the theatre has never been escape but a closer embrace of the stuff of life and what binds man to his brother. Perhaps that's why he has just been awarded the Sang Prize for the Fine Arts—if so Mr. Clurman helped write the terms of the prize by convincing us that that is what the theatre is about. Anyway, that's why he's drama critic for *The NATION*.

If you've ever wondered what makes his views on theatre so roundly convincing and solid in humane concerns, read his book *THE FERVENT YEARS*. It's an unvarnished account of his work in building the Group Theatre of 1931-41.

His book on the Group Theatre is **FREE** with each **NEW** subscription.

Here is how Mr. Clurman describes the Group production of Clifford Odets' *Waiting for Lefty*:

“Our youth had found its voice. It was a call to join the good fight for a greater measure of life in a world free of economic fear, falsehood, and craven servitude to stupidity and greed. ‘Strike!’ was *Lefty's* lyric message, not alone for a few extra pennies of wages or for shorter hours of work, strike for greater dignity, strike for a bolder humanity, strike for the full stature of man.”

We'll send THE FERVENT YEARS to you FREE if you subscribe to The NATION today.

“Mr. Clurman writes brilliantly of these high-minded young idealists (the average age was twenty-seven) who banded together, faced economic difficulties and endured discomfort, even poverty, to study Stanislavsky's method and produce unusual worthwhile plays . . . *THE FERVENT YEARS* is full of humor and insight; a brilliant, important book. Thank you, Mr. Clurman.”—*The New Yorker*

To *The NATION* 333 Sixth Ave. N.Y., N.Y. 10014

I'll try you for 1 year (48 issues). Enclosed is \$10. I understand you'll send me **FREE** Harold Clurman's **THE FERVENT YEARS**.

WITTY FAVORITES FROM THE FRENCH THEATRE

Seven Comedies by Marivaux

Selected by OSCAR MANDEL. English versions by OSCAR and ADRIENNE S. MANDEL. Marivaux's sprightly eighteenth-century comedies, regularly performed by the Comédie-Française, are still relatively unknown in this country. They owe their long life to vivacious repartee and to an acute observation of how people behave and react—especially where marriage, money, and *amour-propre* are involved. These charming and stageworthy translations capture all these elements, insuring Marivaux's works the wider English-speaking audience they so richly deserve. 376 pages, frontispiece. \$10.00

Cornell University Press, Ithaca, New York 14850

This beautiful two-volume edition contains all twelve of Racine's great classical tragedies, as well as their prefaces—the first modern translation into English verse

THE COMPLETE PLAYS OF Jean Racine
